Friday 11th September 2015

Dear parents and carers,

Your children's safety and ongoing works at school.

You will probably have noticed that hoarding is going up around the school wall, which is blocking a large part of the pavement on the school side of the road. Some of our previous entrances and exits are now blocked off and for the next few weeks, our main entrance will be the former car park entrance, with the ball skills area gates being opened at 08:30 until 08:55 and 15:15 at the end of the day, as an additional exit and entrance.

We are trying to find ways to keep the children safer and for the next few weeks will be trialling a system where the children from Reception to Y6 can enter school and go straight to their classrooms from **08:30 a.m. onwards**. This should enable parents and carers to drop their children off in stages, rather than all having to wait until 08:55 a.m. to leave the premises at the same time. At this time we are unable to offer this for Nursery children. Breakfast club will still continue to operate; children can be left from 08:00 and when it closes at 08:30, they will be taken (or sent if older) to their classes.

We will keep reviewing our systems and keep you informed. In the meantime, please ensure that you and your children are looking and checking when crossing Webb Street, because it is **now open to traffic and cyclists**. The hoarding could stop you from having a full view. In addition, there are no barriers at the entrances and exits, so please keep your children safely by you and do not allow them to run into the road.

If you need to drive to drop off or collect your child, you must be considerate for the safety of all children, and do not use our driveways or entrances to turn your cars round. It would be preferable if you parked nearby and walked into Webb Street. We cannot predict where the next part of the cycle quiet way works will be situated.

Please work with us to keep your child safe.

Best Wishes,

Maddy Webb and Diana Valcheva
