Fri 25 March—
Fri 8 April

Half Term

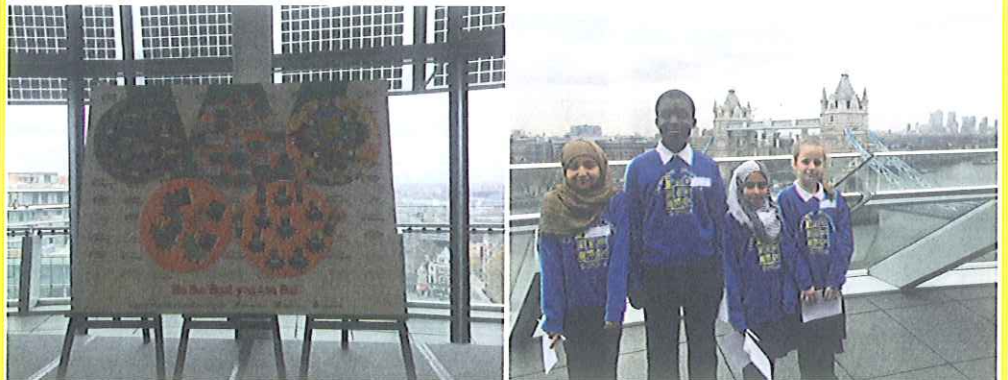

Mon 30 May—
Fri 3 June

Mon 6 June—
Wed 20 July

Dear Family of Grange,

Be The Best You Can Be

Yesterday our Year 6 BTBYCB Ambassadors visited City Hall with Mrs Valcheva and Miss Needham. The children met the Deputy Mayor of London and a number of Olympic and Paralympic athletes. We are looking forward to continuing with some exciting new opportunities coming up with the Be the Best you can Be project in the new year.

Christmas is coming!!

The children will be celebrating Christmas this year by performing in Nativity plays and singing concerts during the last week of term. They have already started to practice song lyrics and learning scripts in preparation for their performances.

Dates and times of each performance can be seen opposite. I am sure you will join us in looking forward to seeing your child perform.

Tuesday 15th December

2pm - The Star Child (KS2)
6pm - The Star Child (KS2)

Wednesday 16th December

9:30am - Reception Singing Contest
2pm - Whoops-a-Daisy-Angel (KS1)

This weeks 'spotlight' is on Pluto & Neptune classes

Last week Pluto and Neptune class visited Walworth Academy for a science taster session. The children really enjoyed it and took part in 5 different scientific investigations in one of their science labs. They learnt all about how to safe when carrying out experiments and also enjoyed visiting a secondary school!

Pluto class visited the science museum a few weeks ago. They took part in a workshop called 'stronger by design' where they learnt about different types of bridges and what makes them strong! They also found out more about different types of materials as it is their science topic in school.
