ISSUE 26

FRIDAY 26TH MAY, 2017

Autumn Term

7th September-
21st October

Half Term (24th-
28th October)

31st October -
21st December

Spring Term

5th January -
10th February

Half Term (13th
- 17th February)

20th February -
31st March

Summer Term

18th April - 26th
May

Half Term (29th
May - 2nd June)

6th June - 21st
July

Dear Grange families,

We have had a fantastic week in school, and the weather has been beautiful as you know; we just hope it continues for the half-term break. Please remember that the first day back for children is **Tuesday 6th June**.

Best wishes from the Grange Team.

"I could see the time and effort both children and teachers put in. I loved all of the artwork the children did." - a parent.

On Wednesday, Reception hosted their own art exhibition where they showcased some of the wonderful art that they have produced over this half term. Children took on various roles in the art gallery: ticket collectors, explainers and survey takers. Classes across the school took the opportunity to visit the gallery and it was a pleasure to see so many parents visiting too. Thank you to the Reception team for organising the event.

"The drip paintings are my favourite because they are very beautiful and creative." - Yousuf,

CO-OPERATION

RESPECT

Mercury

We have been learning about the British values of democracy, the rule of law, individual liberty, respect and tolerance. Some of the pupils used drama to act out different values. We talked about having respect for people of different backgrounds, those with different faiths and those without a faith.

Venus

Venus wrote newspaper articles about our class book, 'Jim and the Beanstalk'. Mr Doherty and Miss Abrahams were so proud of all of the children and their work. One child who really tried her best and has improved in her writing is Eunbitt. Well done Eunbitt and the rest of Venus class.

Planet Earth

Planet Earth have been working really hard to complete our SATs. As a treat for trying our best we got to go to the park to celebrate our success! Here we are enjoying the sun!

Mars

This week we have been doing lots of revising and preparing for our Maths SATs, which are now complete. We had lots of fun doing this and played games, had competitions and took part in Math carousels.

Jupiter

Jupiter Class have been learning about different types of weighing scales, and how to read them to measure the mass of different items.

RESPECT

Saturn

Saturn class have had a very exciting week focusing upon the Romans. We held a Roman feast and attended a Roman exhibition at the Museum of London. In English we have been making inferences about the book 'Voices in the Park' and been weighing and measuring in Maths.

Supernova

This week Supernova were amazing at swimming. Their instructors are so pleased with their progress and everyone has become so much more confident in the water. Well done!

Galaxy

This week Galaxy class have been working on setting descriptions within English. Inspired by the book The Tin Forest, children created their own metal scrap yard using foil. They thought about the different items found in a junk yard and how they could use a variety of different writing techniques to describe the items made.

They have also been working hard preparing a dance which will be shown to the rest of the school after half term.

HALF TERM

Children will return to school on

TUESDAY 6TH June

2017

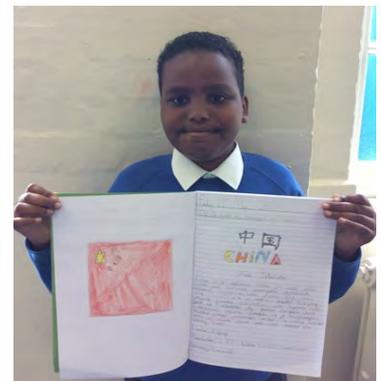

Neptune

Neptune have had a fabulous time this week visiting workshops as part of the Into University project. They have been working as a team to find out what it's like to attend university and what happens there. They really enjoyed it!

Pluto

Pluto class are learning about China. Mohamed has recorded his knowledge of China using facts, images and questions. Look at his presentation!

Sky

Sky Class have been learning about the British Values of mutual respect and tolerance. We thought about people with different faiths and beliefs and considered how food eaten in Britain has changed so much over the years due to the cultural mix in our society. We made pancakes, and chose different fillings. Kartikeya is Hindu, so he had a vegan pancake using soya milk and no eggs.

Aurora

Aurora class has been through a big change. We have moved classroom and are now working in the Y4 Satellite room. We all helped to move into our new classroom, it's a little cramped but we are still able to learn to the best of our abilities.

Written by Moustapha and Camron.

SCHOOL SPORTS!

This photo shows the girls' year 4, 5 and 6 football team, organised by their coach, Mr O'Reilly. They have played two matches so far.

The year 1 and 2 multi skills club are rolling a ball to each other. They stop the ball, then aim and roll.

ATTENDANCE & PUNCTUALITY

School Year 2016-17		%
Attendance	Whole School	94%
Key Stage 1 Winner	Planet Earth	97.4%
Key Stage 2 Winner	Galaxy	98.2%
