

Going back to school

From September, you must send your child back to school.

School is very important for your child's

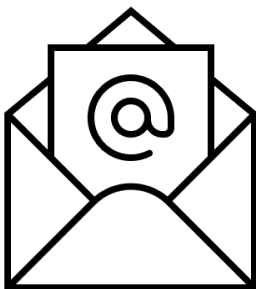

- learning
- health
- emotional wellbeing.

We understand that you may still be worried about Covid-19.

Schools are putting things in place to make schools as safe as possible for children and staff.

If you have concerns speak to your school or email the council's **Back to School Team:** backtoschool@southwark.gov.uk

If someone has symptoms

Do not send your child to school if anyone in your family has

- A temperature
- A new cough
- A loss or change in their sense of smell or taste

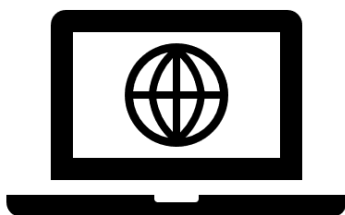

Let your school know as soon as possible and order a test.

How to order a Covid-19 test for your child

1. First, call NHS 111 to check your child's symptoms
2. Second, order a test to your house by going to www.gov.uk/get-coronavirus-test or call 119.

This leaflet covers the main points only.
