ISSUE 13

FRIDAY 11TH DECEMBER 2020

Dear Grange families,

#### **Covid Update**

Unfortunately, we had to inform you of a positive covid case this week. This has led to additional staff being required to self-isolate as well as the Reception and Nursery classes who were directed to self-isolate due to a member of our community testing positive for COVID-19.

We continue to complete detailed risk assessments with PHE and to follow advice closely. We do understand that this creates some anxiety amongst parents. However, unless your child is identified as a potential contact, they should continue to attend school as normal. I am very proud of how we have managed to remain open and continue to provide high quality teaching despite these challenges.

#### **End of Year Festivities**

December has arrived and after an incredibly challenging year the sounds of children singing, rapping, reciting poetry is lifting everyone's mood. We are determined to maintain as many of our Winter traditions as possible – even if they need a slight adjustment!

#### **Festive Lunch**

Although the arrangement for our Festive Lunches looked different this year as pupils had to eat in their bubbles, the children enjoyed themselves. Thank you to ALL the staff for ensuring that our children had an enjoyable festive lunch!

It has been a very busy week and I'm sure you too are looking forward to a restful weekend!

*Best wishes from the Grange Team.*

### WORDS OF THE WEEK!

**Tier 1 - Word of the week: HISTORY**

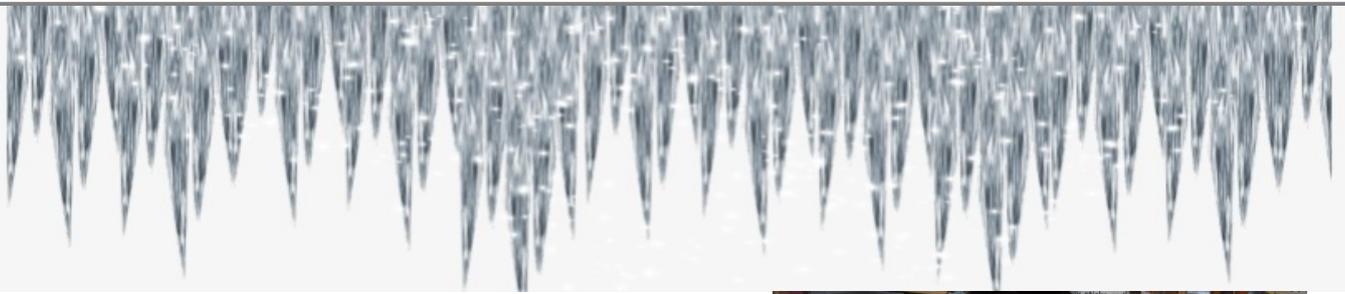

**Tier 2 - Word of the week: INTEND**

Believe

Achieve

### Sun

The Nursery children listened to the story of: *'The Gingerbread Man.'* They had fun role-playing the story using stick puppets they made. Children also decorated their own gingerbread man. They learnt the gingerbread recipe, then they had an opportunity to practice their cutting skill while cutting out the pictures of the ingredients needed for the dough. They stuck them onto the picture of a mixing bowl.

### Moon

In Moon Class, we set up a Christmas sensory tray. It had number tags, tinsel, and snow. The children enjoyed exploring the sensory tray and being very imaginative with the resources.

### Venus

This week Venus Class have been learning tricky split diagraphs. We definitely need more practice but we are ready to learn. We also did a great job helping others and listening to other children's ideas.

### Planet Earth

This week Planet Earth Class have written a story called 'Fox babies'. They learnt about pictograms and bar charts and learnt about reflection/ played mirror games in Science.

### Saturn

Saturn Class took part in the festive lunch on Thursday at school and they wore their festive jumpers as well. It was great fun!

### Upcoming Events

#### Wednesday 16th

#### December

Class parties (pm)  
Please bring a 50p  
contribution before  
Wednesday

#### Friday 18th December

2020

Staggered home times.

Years 1&2 1.50pm  
Years 3&4 2.00pm  
Years 5&6 1.40pm

### Galaxy

This week we have started our new topic in English, looking at the character of Excitable Edgar! Using a short film as our stimulus, we created a Role on the Wall for Edgar. In groups, we first thought about his personality and appearance and then collected all our ideas to make a class poster.

### Pluto

This week in English, Pluto Class has been working on play scripts. We have learning about 'A Christmas Carol' and turning the chapters of the book into a play script. We have focused on using adverbs in our stage directions to make it very clear for the actors performing the scene. We have then used our play scripts to perform some excellent dramas to help further develop our writing. Great work!

### Sky

This week in Sky Class, we have been using atlas' to help us find out about different mountains in the UK. We have learnt that the elevation is calculated based on sea level, as well as the differences between mountains and hills.
