Dear Grange families,

## RE: UPDATE-Online Remote Learning

I know it is an exceptionally difficult time for all of you, your children and families at the moment. Remote Learning, on the scale we have currently, is still relatively new to all children, parents and staff at Grange. We will continue to develop and improve on our remote learning offer.

In the past eleven (11) months the children have received only twelve (12) weeks of school (this too, restricted by COVID-19) and classes having to self-isolate. This is set to continue for some time to come. Inevitably, there will be some 'gaps' in learning for ALL children. Unfortunately, we do not have a confirmed date of when school will be re-opening to all pupils.

We are indebted to all Staff (Teaching, Support and Admin) who are working tirelessly to plan and prepare work which is in line with the National Curriculum, bearing in mind the amount of learning time lost. We know this current teaching arrangement is frustrating for parents. Many of the staff are parents too and we share your frustration. We would like to thank you for your ongoing support, encouraging and helpful messages that you have been sharing with the school about either your own or your child's experience at this time.

### Printed packs

We will continue handing these packs out on a two weekly basis. We will have new packs available on Friday 29<sup>th</sup> January 2021 for collection. Please contact the office if you would like to collect one for your child/ren. These packs will also be available to download and print from the Home Learning page of our school website.

### Devices

We are not able to provide multiple devices to individual families as we only had a limited supply. The DfE has advised that more devices will be made available in the future. We will keep you updated. In the meantime, if you do need a device, please contact the office and we will place you on a waiting list until we hear from the DfE. We will of course keep you updated.

Please continue to keep in touch with us and do let us know if you're having any difficulties with remote learning, or if you have any questions. You can contact your child's Classteacher during the MS Teams 'Meet and Greet' Sessions in the first instance or email the school office:

[office@grange.southwark.sch.uk](mailto:office@grange.southwark.sch.uk) or telephone: 020 7771 6121

Once again, thank you for your continued and ongoing support with the online remote learning.

Yours faithfully,

*L.Black*
