

Task

Task 1

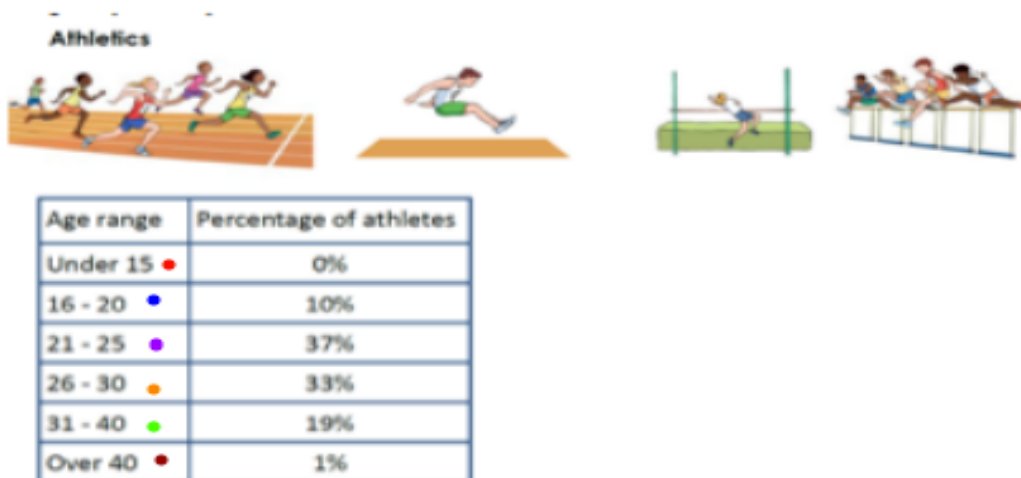

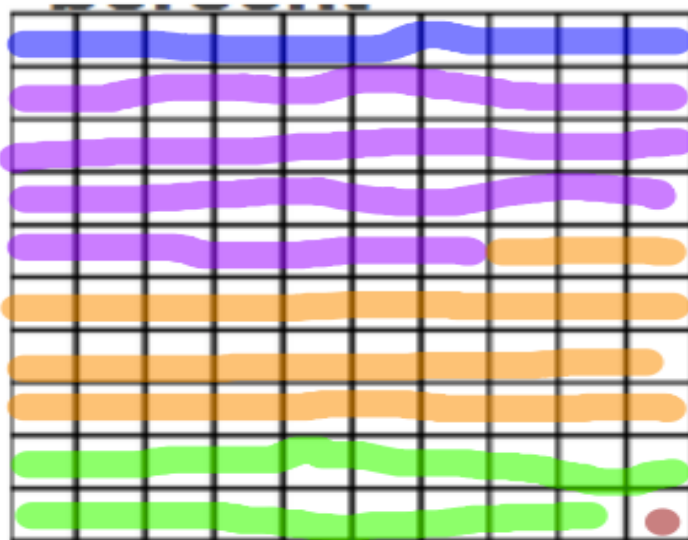

Match the fraction in the table to percentage equivalent below.

a) 20% b) 10% c) 75% d) 25% e) 50%

Fraction	Percentage
$\frac{1}{2}$	
$\frac{3}{4}$	
$\frac{1}{5}$	
$\frac{1}{4}$	
$\frac{1}{10}$	

Task 2

Use the table and 100 square to generate 5 statements. An example has been done for you.

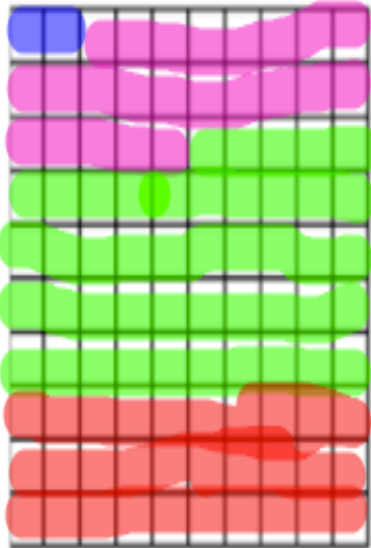

7

E.g) 10% of age 20 and under were athletes.

- 1.
- 2.
- 3.
- 4.
- 5.

Task 3

Use the information to generate statements about these Olympic sports.

Road cycling

Age range	Percentage of athletes
Under 15	0%
16 - 20	2%
21 - 25	23%
