March-15th April**

Summer Term

16th April - 25th
May

**Half Term (28th
May - 1st June)**

4th June - 20th
July

Dear Grange families,

May we introduce you to Carol S. Dweck. She is known for her work on the mindset psychological trait.

"In a growth mindset, people believe that their most basic abilities can be developed through dedication and hard work—brains and talent are just the starting point. This view creates a love of learning and a resilience that is essential for great accomplishment," writes Dweck.

One of our aims is to strengthen the social and emotional wellbeing of our children by helping them develop a growth mindset. You can help! Ask your child this weekend to tell you about the challenges they are facing. Then talk them through those challenges, explaining that challenges are also wonderful opportunities for new learning!

Best wishes from the Grange Team.

GIRLS FOOTBALL TEAM

The girls football team represented Grange and themselves well on Wednesday at the LPESSN, coming away with a win as well as receiving a certificate for demonstrating honesty within a team.

CO-OPERATION

RESPECT

Sun

Children in Sun Class are settling in very well. This week we welcomed Ammar and Blen. We also celebrated Saima's birthday on Thursday. We have been talking about families and homes this week as well.

Moon

In Moon Class this week, we have been developing our problem solving skills by creating electricity and building working lights using wires, batteries and bulbs.

Planet Earth

Year 2 enjoyed a wonderful visit to the Natural History museum which linked to our learning in science of 'Animals including Humans'. We saw all types of animals including the largest mammal in the world...which is???

RESPECT

Jupiter

Jupiter Class have been having a fantastic time both outside in the MUGA and in our Top hall during P.E. session this half term. We have been learning how to move safely in a confined space, practising dribbling and passing a football. The children are great at this!

Upcoming Events

Monday 9th October

KS2 Football Team Club
(3.30-5.00pm)

Y3/4 Dance Club
(3.30-4.30pm)

Tuesday 10th October

Pluto
 Pluto Class really enjoy their Music sessions with Hannah. This week they were creating their own 4 bar rhythms and performed them using a wide range of instruments.

Sky
 Sky Class have been using our reasoning skills in Maths to help us solve problems. We highlighted key information from our clues in order to support our mathematical thinking.

ATTENDANCE & PUNCTUALITY			
School Year 2016-17		%
