March-15th April

Summer Term

16th April - 25th
May

Half Term (28th
May - 1st June)

4th June - 20th
July

Dear Grange families,

It has been wonderful to see the children in a range of dress, representing the diversity and inclusivity which is such an important aspect of Grange. Thank you for your support to make the last day of this half term so special for the children.

Over the half term break the finishing touches will be made to the new buildings at the front of our site. Apart from the appearance of our new buildings which is amazing, our greatest excitement is that our new Nursery will be open on 30th October.

In between half term and Christmas, the remaining spaces on the ground floor will be transformed into cloakrooms, reception classrooms and a Y2 learning satellite. The excitement continues!

Wishing you all a wonderful half term break. We look forward to seeing the children on Monday 30th October.

Best wishes from the Grange Team.

School Council

We are very proud to have elected a new School Council for 2017-2018.

After much deliberation and epic anticipation, each class has two new responsible members. The School Council are very excited and eager to make a positive difference at Grange Primary School.

Sun

Children in Sun Class were talking about changes this week as their classrooms are being packed away and moved into the new nursery building. We are all looking forward to starting new half term in our new nursery. So exciting!

Moon

In Moon Class, we have been talking about things that fly. This week we have really enjoyed making and decorating our own kites. We are excited to test them out in the playground!

Venus

This week Venus Class went to Surrey Docks Farm. The children saw lots of different animals. We got a class photo when we left the farm. The children and the adults had a fantastic day.

Planet Earth

This week we have been reading about Grace's family in our class book 'Grace and Family'. We have been comparing our own families to Grace's and discussing what we think a family is. Here is an example of some of the artwork that has inspired our discussions.

Faith Day

On Thursday the whole school was finding out about Hinduism. Each year group had a different focus and the children all enjoyed learning about the religion. Nursery made Diva Lamps, Reception were focussing on Rangoli Patterns. KS1 enjoyed some Hindu maths looking at the 3 and 5 timestables as well as acting out different stories, whilst KS2 were focussing on the various gods and places of worship.

Galaxy

Galaxy Class have had a fun-filled week of learning! We attended a Year 4 Football festival at Bacon's College where the children received a certificate for self-belief and Melissa received a certificate for Great Sportsmanship. We have also learnt about Hinduism on R.E. day; created a leaflet on India; division in Maths and important people's contributions on Afro-Caribbean day.

Upcoming Events

HAPPY HALF TERM!!!

Children will return to school on Monday 30th October 2017

All after school clubs will resume as normal upon return.

Pluto

Pluto class have worked very hard this week to write a diary entry in role as Oliver Twist. They have drafted, edited and published their work which they should all be very proud of.

Sky

Sky Class have been Super Scientists! They have been grouping using scientific terminology.
