

PE and Sport Premium funding 2016 -2017

Background

The Government is providing additional funding of £150 million per annum for each academic year until 2020 to provide new, substantial, primary school sport funding in order to improve the provision of physical education and sport in primary schools. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to schools to be spent on improving the quality of sport and Physical Education (PE) for all their children. All state-maintained schools, academies, middle schools, special schools and pupil referral units that have primary aged pupils from Y1- Y6 (as reported in the January 2016 school census) will receive the funding.

This funding is ring-fenced and therefore can **only** be spent on provision for and improving the quality of PE and sport in schools. We will be held accountable for how we have used the additional funding to support pupils' progress and participation in PE and school sport. We are required to publish on-line information about how we have used the additional funding, including details about our sporting provision alongside curriculum details. This will ensure that parents/carers and others are made fully aware of the PE and sporting provision at our school.

Allocation

All schools with 17 or more primary-aged pupils will receive a lump sum of £8000 plus a premium of £5 per pupil in Years 1 - 6.

For the academic year 2016–2017 Grange will receive £9,520 funding for sports and PE provision (£45 more than in 2015-16).

How Grange Primary School will be spending the PE and Sport Premium funding in 2016-17

We believe in a holistic approach to the development of sport and physical activity for all and encourage collaboration and partnership working to make the best use of resources and enhance PE and sports provision in order to raise participation and achievement for our pupils.

As a school we aim to use this year's premium to achieve the following:

- Invest in the professional development of staff at our school so they are best equipped to teach high quality PE and school sport for years to come. As in previous years this will mainly be training to continue to develop "Real PE". This includes providing cover to release staff for professional development in PE and sport, particularly targeting new staff
- Continued Membership of the London PE & School Sport Network (LPESSN), which is based at Bacon's College, in Rotherhithe. As we have "front loaded" our membership of the network in previous years, we have the same offer in 2016-17 for vastly reduced fees. (Please see Appendix One for some examples of opportunities and activities offered
- Continue the competitive sport in which our children participate, through LPESSN and via other routes – run sport competitions, and increase pupils' participation in inter school competitions.
- Qualified sports coaches from LPESSN will support inexperienced teachers, teachers and other staff new to Grange to deliver PE and sport
- Whilst maintaining competitive sport in a range of ways, develop a more inclusive approach, enabling every child to attend at least one festival or sporting event during the year and introducing more "friendly" matches
- LPESSN will train the Inclusion Leader and other staff to run specialised PE sessions for children with SEND

- Develop dance throughout the school, through the use of a dance tutor in curriculum time and run at least one after school club for dance
- Increase the offer of physical activity at break times and develop fair play by appointing Play Leaders to lead games at break and lunch times
- Train staff to teach table tennis and balance bikes, both during and after school, supporting the grants received to develop this sport
- Continue links with other community sports providers – encouraging pupils to join out of school sports clubs and/or signposting to appropriate providers.
- Continue to encourage our children to improve their leadership skills through sport, for example through sports' leaders initiative. Six Y6 pupils achieved Playmakers' awards in January 2016.
- Provide health and wellbeing workshops for targetted year groups

Additional expenditure

Receiving PE and Sports premium funding has enabled us to re-direct other resources to improving our PE and active learning offer, so that:

- Swimming instruction continues for Y4 and Y5
- Swimming Club continues for Y6 children who have not attained the required level
- We can continue Family FUNS and purchase additional packs to support this project in our work with Reception parents.

Impact

We will evaluate the impact of the PE and Sport Premium funding as part of our normal self-evaluation and provision mapping arrangements. We will look at how well we use our PE and Sport Premium to improve the quality and breadth of PE and sporting provision, including increasing participation in PE and sport so that all pupils develop

healthy lifestyles and reach the performance levels they are capable of. Measuring the impact of the activities provided can be achieved in different ways. We will look at progress in PE skills and understanding in our pupils, alongside the holistic effect of involvement, such as self-esteem, confidence and attitudes to PE and sport. Numbers of children who are actively involved in sporting activities above the curriculum minimum of two hours will also be taken into account.

Assessments are made both formally and informally using the school assessment wheel, besides feedback from children, parents, staff and visitors. We also evaluate the impact on teaching and learning of PE of the professional development opportunities given, mainly by lesson observations and learning walks.

Appendix One

Examples of opportunities and activities provided by membership of LPSSN.

NQT training
Teach support 4 weeks course
SEN sessions for staff
Real Gym KS1
Healthy schools workshop (TBC)

Autumn Term

Y5/6 Football Festival
KS2 Cross Country
Y5 Girls' Boxing
SEN Festival
Football League
Y3 Football Festival
Y4 Football Festival
SEND Pentathlon
KS1 Festival of Sport (Mixed)
Y5/6 Athletics Sessions
KS1 Multi-skills (Mixed)
SEND Festival of Sport
Playmakers Award

Spring Term TBC

Athletics competition (Confirmed)
TAG Rugby
Netball League
Ice Skating
Hi5 Tournament
House of Vans

Summer Term

Dance Festival
SEN Festival of Sport
Go Ape
Rounders
KS1 Sports week
Sports Days
