ISSUE 25

FRIDAY 11TH MAY 2018

2017/2018

Summer
Term

16th April -
25th May

Half Term
(28th May -
1st June)

5th June -
20th July

Dear Grange families,

The Y6 children are due to take their SATs next week and we are sure you will join us in wishing the children the best of luck. They have worked very hard in preparation for these tests.

Y2 children are continuing to take tests this month—these will be over by the end of May.

The hard work is not over for any of our children yet! In all other year groups, the children are entering their assessment period in June. Also Y2 and Y6 have to continue to write across a range of genres and edit their work in preparation for the final assessments in four weeks.

Best wishes from the Grange Team.

GO TEAM GRANGE!

On Friday 4th May our children played a netball match against Townsend school, where we opened the scoring in the first half with them equalising just before half time. After a coming together and having a team discussion Grange took the game by the horns raising their game to another level, scoring two more goals to come away with a victory: 3-1. Kelly and Heather came away very proud of the team's resilience and team work.

Star

In Star Class the children have been getting creative. They have been drawing, painting, making models and making their own patterns. Toye made this amazing peg board pattern. He focused for a long time in order to exactly copy his chosen pattern. We are all so proud of the children's developing creative skills.

Mercury

In Mercury Class we make sure we have two hours of PE every week. We bring in our PE kit so that we are fresh and clean in our school uniforms for our class based lessons. Some children are holding up red cones for the other children to freeze - we try to make sure we are all paying attention! We have been learning to bounce small balls and big balls. We have been learning to roll balls. Mercury Class children are looking forward to sports day next month.

Mars

This week Mars Class had a special visit from the London Fire Brigade. Ollie shared some useful tips on how to be safe if we ever get stuck in a fire and how we can prevent fires from occurring in the home. We acted out some scenarios and used a rhyme we learnt to remind us of what to do in case of a Fire. Did you know London Fire Brigade can provide you with free fire alarms for your home?

Upcoming Events

Monday 14th May

KS2 Football Team Club

(3.30-5.00pm)

Y1/2 Dance Club

Chess Club Y4/5

(3.30-4.30pm)

Tuesday 15th May

KS2 Netball Club

Drawing Club Y4-6

(3.30-4.30pm)

Wednesday 16th May

KS2 Football Club

Choir Club Y4-6

(3.30-4.30pm)

Thursday 17th May

Y3 Chess Club

Y2 Football Club

(3.30-4.30pm)

Friday 18th May

KS2 Netball Team Club

(3.30-5.00pm)

Jupiter

In Science this term Jupiter Class are learning about Forces & Magnetism' and we had great fun this week playing 'push or pull' Bingo. We are very excited to announce that we have also started making our 'Plastic Monster' in D&T lessons.

Supernova

Supernova Class had a busy day last Friday and performed their class assembly to parents and the whole school. They really enjoyed sharing everything that they have learnt so far this year and did a great job with the performance as well as showing great team spirit. Well done Supernova Class!

Neptune

We have been working on coding during our computing sessions. We have learnt so much in the last few weeks, looking at a range of challenges already set up in Purple Mash. We would like to say a massive "Thank You" to Ms Swaby who worked with us for half of this term. This week was her last week with us.

Aurora

We are now in our penultimate week before SATs. In Year 6, we are completing last minute revision. We are making sure we are crossing our t's and dotting our i's and that we know how to add up fractions and what a subordinate clause is. Going into next week we are looking forward to restful nights' sleep and the chance show off how much we have learnt at Grange.

ATTENDANCE & PUNCTUALITY

School Year 2017-18	w/b/ 30/4/2018	%
Attendance	Whole School	96.0%
Key Stage 1 Winner	Planet Earth	99.3%
