Dear Grange families,

Next week is Children in Need. As always, we will be involved in this worthwhile charitable event. We are encouraging all Grange pupils to come to school next Friday (**16th November 2018**) dressed like Pudsey Bear. We are asking for a donation of £1. Wear lots of dots to raise lots!!!

Next week we also have Sky Class' assembly on **Thursday 15th November 2018 at 9:10am**. We are inviting parents, who have children in Sky Class to come along to and see what the children have been working on in class.

Best wishes from the Grange Team.

Operation Christmas Child, Shoe Box Appeal - Love in Action

Grange children had a special assembly this week explaining 'Operation Christmas Child', a project which involves filling shoe boxes with gifts to send to those who need their lives and spirits lifted at Christmas! We are asking your children to bring in small items from home to help fill the shoe box in their classroom. Classes will be deciding if they are collecting for a boy OR girl and what age group e.g. 2-4 years, 5-9 years, 10-14 years.

No glass or breakable items please. See guidelines at operationchristmaschild.org.uk/followyourbox.

Anyone who would like to donate their own filled shoe boxes, please do so and drop off to the school office by Thursday 15th November. We look forward to informing you of how many shoe boxes we have sent to children around the world!

Sun

Children in Sun class continue to settle in. We have also been learning about 5 Senses: Sight, Hearing, Smell, Taste and Touch.

Moon

In Moon Class we have been learning about the different emotions that we experience. We searched through magazines and newspapers to find images of people who appeared to display the four emotions; happy, sad, angry and excited. We created a large collage for each emotion and discussed the situations that make us experience those emotions.

Venus

Last week Venus Class had a trip to the farm. We saw lots of different animals and even had the chance to look by the river. We had lots of fun.

Planet Earth

Year 2 have been excited about Bonfire night this week. We have been using the five senses to write poetry about fireworks. Everyone enjoyed publishing their work and it is now on display in the Year 2 area.

Saturn

This week in Saturn Class we have been learning about fables and in particular the fables about Anansi the Spider. We have discussed what ingredients you need to make a good fable and the importance of every good fable having a moral. Can you think of any fables where there is a good moral?

Galaxy

Galaxy have been learning about the Iron Man in English. They have acted out part of the story and created an instructional leaflet, describing how to trap the Iron Man. In Maths they have been learning division strategies and sorted different liquids, solids and gases.

Pluto

Pluto Class have been enjoying their science lesson's and doing lots of experiments! This week they investigated filters to separate mixtures and then made their own filter to clean muddy water

Sky

This week in Sky Class, we have started our new science topic - Light. We have been learning all about how we see light. We created a human diagram to help us understand it.

Cauliflower Project

Many thanks for supporting the Cauliflower Project, which helps raise funds for our school. The children's art work around school looked fantastic and many orders have been placed for cards, gift tags and mugs. We hope to receive a delivery of goods back during the first week of December.
