SUMMER

HOLIDAYS

September 2019

Monday 2nd

September

Dear Grange families,

This week we have taken inspiration from all those running the London Marathon and focused hard on working hard to achieve our targets and goals. We had a whole school assembly in the Albert Mackenzie Hall where we discussed what skills are needed to push yourself to go the extra mile. We discussed how we can help others go the extra mile and how we can motivate ourselves too.

We hope you all have a fabulous weekend and maybe get a chance to watch some of the marathon in our great city.

Best wishes from the Grange Team.

At Grange we are on the look out for parent volunteers to take part in school outings across the school year. If you are interested please see a member of staff at the school office or call the school on 0207 771 6121 to let us know your availability.

This may be a great opportunity to visit some wonderful places in London - Zoo's, aquariums, museums, and many more!

Star

In Star Class this week we have been sharing Easter eggs! We have been working in small groups to solve maths problems. We learned that 'division' means 'sharing' and that it's important to share equally! Liya solved her division problems confidently and independently.

Mercury

In Mercury Class we have been reading 'The Smartest Giant In Town' written by Julia Donaldson. Here you can see the children placing the animals along his path. At first the giant is the scruffiest giant, then he becomes the smartest giant, then finally the animals call him the kindest giant.

Mars

Mars Class have started a new book in English called 'The Princess and the Pea' by Mini Gray. We worked together as a year group to retell the story during a Story Whoosh session. We each had the chance to play a different character and repeated phrases from the book. We will be writing up diary entries and letters in role as the main characters next week.

Jupiter

This week, we have enjoyed learning about measures in Maths. Using both balance and weighing scales, we have been working in groups to take accurate measurements of mass. We were surprised by how light our school pencils were!

Supernova

This week a group of Supernova children were chosen to plant seeds with Jackie, in our box in the school garden area. We hope to have grown some peas, tomatoes and flowers by the end of the Summer term, weather permitting. The children thoroughly enjoyed the experience.

Upcoming Events

Monday 29th April

Chess Club Y3-4
Football Team Club
Y5-6

Wednesday 1st May

Football Club Y1,2 &3

Thursday 2nd May

KS2 General Sports
Y3,4,5&6

**All clubs will finish at
4.30pm**

Neptune
 Neptune Class have had a great start to the new term! In English, we have started our new topic all about Greek myths. We enjoyed doing a drama activity based around the myth Theseus and the Minotaur.

Aurora
 Aurora Class have been concentrating on working collaboratively and ensuring they explain their reasoning particularly in maths. In reading, we have been challenging each other to prove our opinion using evidence from the text. We have been using our explanation skills to teach other groups and even some younger children around the school.

ATTENDANCE & PUNCTUALITY

School Year 2018-19		%
Attendance	Whole School	94.6%
Key Stage 1 Winner	Planet Earth	94.3%
Key Stage 2 Winner	Pluto	96.5%
Punctuality	Whole School	97.4%
Key Stage 1 winner	Mercury	98.5%
Key Stage 2 winner	Saturn	98.3%
