Dear Grange families,

## THANK YOU

A huge thank you to all of those who contributed to making Grange Summer Fete such a huge success (either before, during or after the event). Thank you to our local businesses (Tower Mangal, EarthSea, Manzie's Pie & Mash and Halfords) for their very generous donations!

Thanks also go to each member of staff and parent volunteers who generously gave up their time to help manage the fete. Of course thanks go to the children and their families for supporting the event – our school community should feel very proud of itself! We raised **£867!** A great effort indeed!

This week, our children were encouraged to use Mathletics more regularly. Thank you for all your support with this at home and continue to encourage your children to practice their Maths skills. Have a fantastic weekend!

Best wishes from the Grange Team.

## Chess Tournament

At the chess tournament at Oliver Goldsmith's, Dami (Year 4) got the Gold medal against other Year 4's and Tommy (Year 3) got the bronze medal against other Year 3's. Well done to all who took part, we had a very enjoyable day.

### Sun

Yesterday during the Annual Weavers Awards, Kayden and Ella-Mae were awarded a certificate for high achievement and we are all very proud of them. Children have visited their next year teachers and we are helping children to go through the transition between Nursery and Reception smoothly.

### Moon

We have enjoyed learning outside in the warm yet windy weather recently. We decided to make our own kites and we have had great fun cutting out templates, securing the different parts together and then seeing how high our kites can fly as we move around the playground.

### Venus

This week Venus Class had their end of year trip to the beach. The children travelled to Chalkwell beach and had loads of fun. The children had a chance to build some sandcastles, collect shells and take a dip in the sea.

### Planet Earth

This week Planet Earth Class went on a school trip to the Southwark Park for the day. The children had a wonderful time playing in the park together and we all sat down for a picnic under the tree.

### Saturn

Throughout this summer term we have been practising our recorders every Friday with our music teacher Aodhan. The children so far have learned how to hold the recorder, how to make certain notes and what the notes are called. Over the last few weeks the children have been working hard on learning various tunes to play and are looking forward to playing in front of some of the other classes next week.
