Dear Grange families,

This week we have focused on what it means to win. We looked at the journey to winning and how you can't win without failing sometimes. We discussed how FAIL can be looked at as the **First Attempt In Learning**. After learning about many famous winners, we agreed that winning is about achieving your own personal goal— no matter how big or small. We also concluded that resilience is crucial so we can get up and try again.

We had many children receive Mathletics certificates this week.

Thank you for all your support with this at home.

Best wishes from the Grange Team.

ATTEMPT  
IN  
LEARNING**

## EYFS SPORTS DAY

Our Reception children took part in their very own Sports Day on Wednesday 26th June. The children had lots of fun and took part in various challenges and activities throughout the morning.

Many thanks to Miss Tripp for organising an excellent Sports Day, and thank you to the volunteer Year 5 children who helped out so beautifully. This was a great opportunity for the Reception children to train for their KS1 and KS2 Sports Days, when their family members can attend. Please see page 4 for a few pictures from the day.

### Star

Children in Star Class have recently designed some beach themed resources for themselves to play with. They have transformed their role play area into a 'Beach Cafe' and here they are making a 'Small World' beach scene for imaginative play.

### Mercury

Mercury Class went to the beach on Tuesday. The children played on the sand and discovered tiny crabs that live at the seaside. Everyone made sandcastles and dug moats for the water to pool in. There was an enclosed paddling pool where children could wade in the water.

### Mars

We really enjoyed our Art session on Monday afternoon. We had the chance to pick from 3 activities that focused on our RE topic Islam. 1 activity was creating prayer mats, Activity 2 was lanterns and Activity 3 was 2D shape patters. We all completed at least 2 activities and had fun working with our friends and completing the activities.

### Jupiter

This week in Year Three we have been getting into the swing of our new topic in literacy...pirates! We have been using drama to retell the beginning of a pirate adventure story and created an imaginative dream scene. Our ideas will help us write our own terrific tales over the next two weeks.

### Supernova

Supernova Class has been working with a student Artist called Rachel from the London College of Communication on a local Heroes project. Both Year 4 classes are involved and we chose to make a model of our local hero Albert McKenzie.

The base was made from chicken wire that was moulded to make the legs, torso arms and head. The children then added mod-roc and papier- mache to the body parts. Finally it was painted, ready to be put together at the exhibition. Please find time to visit the Local Heroes exhibition at the LCC which opens on the 12th July 8.30am to 5pm until the 15th of July. Leaflets will be available for the office.

### Upcoming Events

#### **Monday**

Chess Club Y3-4

Football Team Club

Y5-6

#### **Wednesday**

Music Club

Y3, 4 & 5

Football Club Y1,2 &3

#### **Thursday**

KS2 General Sports

Y3,4,5&6

**All clubs will finish at**

**4.30pm**

### Neptune

This week, Neptune Class have been continuing our unit of work on the Titanic in English. To prepare for writing a witness statement, we watched part of the Titanic film to see what happened when the lookouts spotted an iceberg. In small groups, we practised a performance leading up to seeing the iceberg and the Titanic hitting it!

### Aurora

Aurora Class spent their last week with Miss Dunne this week. She is extremely proud of them and would like to thank each and every person for their hard work. She also wishes them the best of luck for secondary school.

## ATTENDANCE & PUNCTUALITY

| School Year 2018-19 |                     | %     |
|---------------------|---------------------|-------|
| <b>Attendance</b>   | <b>Whole School</b> | 95.7% |
| Key Stage 1 Winner  | Planet Earth        | 98%   |
| Key Stage 2 Winner  | Pluto               | 98.6% |
| <b>Punctuality</b>  | <b>Whole School</b> | 97.3% |
| Key Stage 1 winner  | Mercury             | 98.5% |
| Key Stage 2 winner  | Neptune             | 98.3% |

## Speech Bubbles

We would like to take this opportunity to say a huge 'Thankyou' to the parents/carers who attended the Speech Bubbles sessions this week. We hope you enjoyed the session and were extremely proud of your child's achievement/progress.
