Dear Grange families,

Welcome Back! We hope you have had an enjoyable summer. The children have certainly had lots of exciting stories to share. We do hope you enjoyed the summer and family time away from the early starts and routines. The children have returned ready and raring to go, looking incredibly smart in their uniform. We do hope that they have enjoyed meeting their teachers and getting used to their new classrooms/ routines etc.- a really exciting part of the year!

It is lovely to see our new little Moon and Star Reception children coming into school at the start of their first year! We really hope they love being part of our Grange community! We truly want your children to enjoy every aspect of school life.

Finally, thank you for all your support, and we look forward to another successful year, for your child, for you and for our whole school community.

Best wishes from the Grange Team.

WELCOME BACK TO SCHOOL!

Moon

This week in Moon Class we have been learning all about birthdays. We have enjoyed planning a birthday party for Peppa Pig by making decorations, counting out candles onto playdough cakes and writing birthday cards. We have also enjoyed talking about our own experience of celebrating birthdays.

Mercury

Mercury Class have PE on Thursdays and Fridays. We are learning to throw objects at different targets. They used balls and bean bags. It was a lot of fun.

Planet Earth

Planet Earth class have had an amazing start to Year 2. This week they have written a recount of their holidays using the past tense, learnt how to partition numbers in tens and units and recorded what they already know about Hinduism and our world.

Saturn

In English this week, Year 3 have enjoyed learning about the Princess Smartypants and using inference skills to create some creative character descriptions. We are looking forward to doing some drama next week based on the book. In Maths we have focused on place value and number which will help us in our future learning this year.

Supernova

We have started our school year back with a big focus on our health and Wellbeing. Each day we will take part in a mile a day. Even when it is wet play we will carry out activities in the hall to help us stay healthy and ensure our brains are ready for learning. We have had a fantastic start to the year and we have settled in to our new classroom really well.
