Dear Grange families,

**Anti-Bullying Week, Monday, 18/11/19 –
Friday, 22/11/19**

The Theme for this year's Anti-Bullying Week was **'Change starts with us!'** By making small, simple changes, we can break this cycle and create a safe environment for everyone.

Here at Grange we are proud to support Anti-Bullying Week and our children participated in a range of activities school-wide to raise awareness. The pupils explored cyber bullying, respect, self-respect as well as the importance of embracing and celebrating differences. We want our children to be able to recognise what bullying can look like, how they can avoid it and who they should talk to about it.

This is what some of our pupils said:

We can use the knowledge about cyberbullying in the future!- Rumaysa and Maddison (Neptune)

Bullying must be stopped!- MJ (Sky)

Always tell an adult you trust.
-Amina (Supernova)

Be brave and stand up for yourself!
- Ghilass (Planet Earth)

***Change starts here.
Change starts now.
Change starts with all of us at Grange!***

Children In Need:

THANK YOU for your valuable support. We raised **£340.50** for Children in Need! Well Done everyone!

Have a great weekend!
Best wishes from the Grange Team.

Star

Despite the cold weather, children in the Early Years still love spending time outdoors. The children have been practising their throwing skills by aiming balls at a target. Please ensure your child has a suitable coat and maybe a hat, scarf and gloves for the cold weather.

Venus

This week in Venus Class we spent our Wednesday doing Computing on Purple Mash. It was tricky at times finding the letters on the keyboard but we did a great job helping each other out. We know that with time we will get better. We were able to design our Christmas jumper too!

Mars

This week the children in Mars Class have been writing their diary entries. They have been pretending to be people from 1666. The children have been writing in their diary about what it was like to live in 1666 during The Great Fire of London.

Jupiter

This week in Jupiter Class we attended a workshop focusing on anti-bullying. The children learned about respect and how to respect others no matter who they are. Respect is one of the core values of our school so it was good to see all the children joining in and engaging with the workshop. This week in maths we started adding and subtracting multiples of 100 to 3-digit numbers with and without regrouping. Year 3 started looking at a new fable called 'The lion and the mouse' and have used drama and a story map to explore the characters and setting.

Neptune

This week, Neptune Class have been investigating ways of separating materials, including filtering and sieving. In groups, we had to design the best filter to clean a mixture of soil of water, by passing it through a funnel and choosing filter paper or cotton wool to filter out the soil. The aim was to get the cleanest water!

Aurora

Aurora Class had a very exciting workshop about Cyber-Bullying. After discussing the ground rules, we played a few warm up games including Chinese Whispers which was lots of fun. We then got down to the serious business of discussing 'What is Cyber-Bullying?' and 'What should you do if you or someone you know is being bullied online?' We shared lots of ideas as a class and most importantly to tell a parent, teacher or trusted adult.
