December

### Spring Term 1

6th January – 14th  
February

### Half Term

### Spring Term 2

25th February – 3rd  
April

### Half Term

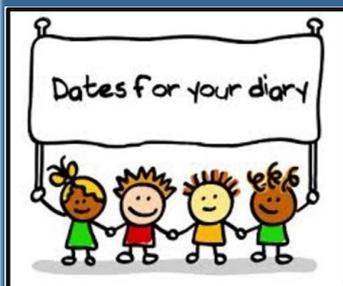

### Summer Term 1

20th April – 22nd  
May

### Half Term

### Summer Term 2

2nd June – 21st  
July

Dear Grange families,

Last Friday, the pupils, teachers and parents at Grange Primary School were delighted to be given the opportunity to enjoy delicious cakes and raise money for an excellent charity.

**WE ARE  
MACMILLAN.  
CANCER SUPPORT**

Since 1990, the annual Macmillan Coffee Morning has helped to raise money for Macmillan Cancer Support. The event has proven to be extremely successful, with more than £200 million being raised over the last 29 years, helping the charity continue the fight against cancer.

Showing great initiative, our Grange Family planned a cake sale to support Macmillan. The staff baked and donated a variety of delicious treats to sell, ranging from cupcakes to delightful pastries. A number of parents were also generous enough to donate their own cakes to be sold.

The cake sale ran beyond school hours, and our staff kindly stayed after school to help sell the cakes. They were extremely busy, selling lots of cakes and raising **£430.57** for the charity.

With millions of people across the UK being affected by cancer every day, Grange Primary School is proud to have made a contribution to the Macmillan Cancer Support cause.

We would like to say a huge thank you to all of the pupils and teachers who donated, as well as the staff who arranged the event and made our fundraising possible.

Best wishes from the  
Grange Team.

### Sun

Sun Class listened to the story of 'The Gingerbread Man' and used puppets they made themselves in role-play. They are also doing a project with Ms. Dunkin for the next couple of weeks, where they are making a Christmas bag, learning skills like sewing, sticking and decorating. In Mathematics children were matching and amount with a number - learning number recognition. We have also been learning Christmas and Winter songs, which children have really enjoyed .

### Moon

This week we have been exploring measuring weight and capacity by making our own oatmeal playdough. We have been following a simple recipe and used a weighing balance to compare the weight of two pieces of playdough. We then had great fun playing with the batch of playdough that we had made.

### Mercury

Mercury Class went to the Unicorn Theatre. The pupils saw The wolf, the duck and the mouse. Pupils enjoyed the singing and dancing.

### Planet Earth

Planet Earth Class have been writing diary entries and learning the features of a newspaper; learning multiplication and division facts and sketching scenes from the Great fire of London.

### Saturn

Saturn Class have been continuing our exploration of the topic of 'Light' in Science. We have been learning about the harmful effects of UV Light and how to protect ourselves against sun damage. We also set up an investigation to see how UV Light alters coloured paper. We look forward to the results!

### Upcoming Events

#### Monday

Chess Club Y3-4

Football Team Club Y5-6

#### Tuesday

Art Club

Y1/2

#### Wednesday

Netball Club

Y3/4—Cancelled

#### Thursday

Football Club Y3-4

#### Friday

Netball Team

Y5/6—Cancelled

All clubs will finish at

4.30pm

### Supernova

This week we have focused on Christianity in our R.E. lessons. We looked over the main Christian beliefs with focus on the 10 Commandments. We worked together in groups to freeze frame each commandment to help us gain further understanding of what each commandment means and how we see people around us following these in everyday life. We then wrote up our own version of the 10 commandments.

### Pluto

Pluto Class really enjoyed the anti-bullying workshop last week. They learnt how cyber bullying can affect people and what to do about it. Children took part in drama during the session to re-enact some scenarios to develop a better understanding of cyber bullying.

### Sky

This week, Sky Class have been writing a newspaper report on the Soweto Uprising. We have been reading a book called Journey to Jo'Burg which talks about the riots. We've then researched the protest further to provide more information.

## ATTENDANCE & PUNCTUALITY

School Year 2018-19		%
<b>Attendance</b>	<b>Whole School</b>	96.4%
Key Stage 1 Winner	Mars	98.2%
Key Stage 2 Winner	Aurora	99.6%
<b>Punctuality</b>	<b>Whole School</b>	97.7%
Key Stage 1 winner	Mercury	98.2%
