Summer Term 2

2nd June – 21st
July

Dear Grange families,

It's hard to believe but we are nearly at the end of another decade and we will soon be in the roaring 20's! We have had a very busy Autumn Term full of variety at Grange Primary School. The sentiments of Christmas such as being together as a family and as a community are something that we work very hard to promote all year round at the school. We are acutely aware that everyone; pupils, parents, teachers, support staff and governors, all play their part to make Grange successful and we are extremely grateful for your hard work.

We would like to thank you all for your support and partnership with Grange Primary School. We cannot stress too much the importance of keeping in close touch with school.

We hope you managed to get to one of our parent events this term or to one of the performances, which took place last week. It has been wonderful, as always, to see the many talents your children have.

Staff News:

Miss Emily Smith is leaving us today. We would like to thank her for all her hard work and wish her well!

We would like to take this opportunity to thank all of the staff for their hard work and dedication in ensuring that the children have great teaching at Grange Primary and also have lots of fun.

Finally, have a Happy and Peaceful Holiday. We look forward to welcoming the children back to Grange Primary School on **Monday, 06th January 2020 at 08:45am.**

We hope you all have a happy and restful holiday and a very Merry Christmas to those of you who will be celebrating.

Best wishes from the Grange Team.

Merry Christmas

Sun

Children in the Nursery had a lovely time during our Christmas party. They danced, played, had a little feast and had lots of fun! What a great way to end the Autumn term.

Star

In Star Class we have been playing games using 3-D shapes. This helps us with learning the names of shapes and their properties. We have also practised using 'positional language' words such as 'on top', 'in front' and 'behind'.

Venus

This week in Venus Class we have been reflecting on our Christmas performance and what a great job we did. We loved having all our parents and guardians there to support us. It was great seeing so many smiley faces too. We are looking forward to the Christmas holidays and all the time we will have to spend with our family and friends. Thank you for all your support this term and we look forward for what the New Year will bring.

MERRY CHRISTMAS AND A HAPPY NEW YEAR!!! :)

Mars

This week the children in Mars Class have been learning about the Christmas Story. The children have learnt about the story of The Nativity and they did some recount writing about the story.
Good work Mars Class!

Jupiter

In English this week Year 3 have been writing their own recount of *The boy who cried Wolf* and then turning it into a book. The children have been working very hard on these books and should be very proud of them. In maths we have started a new unit of measuring, the children have been practicing estimating lengths of items and then measuring it properly using a ruler. The children have also been converting between metres, centimetres and millimetres. The children also got to enjoy their class parties to celebrate a successful first term.

Galaxy

Galaxy Class have spent some time looking at Christmas jumper designs. We had great fun creating some of our own!
