25th February—
3rd April

Half Term

Summer Term 1

20th April—
22nd May

Half Term

Summer Term 2

2nd June—21st
July

Dear Grange families,

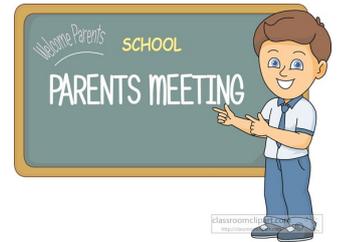

Spring Term Parent/ Carer Consultations

As part of our on-going monitoring of standards we often hold discussions with the children to talk about their views on their learning and progress. We also know how important it is for school staff to work in partnership with parents and families.

We feel that the Parent/ Carer Consultations are a very good way for parents to see how much progress their children are making. This is an opportunity to answer any queries you may have and to discuss how your child can be supported at home and at school.

The meetings are arranged on an appointment system. These will be taking place during the week commencing Monday, 20th January 2020 from **8-9am** and **1:15-6:00pm**. ***Please make every effort to attend in order to discuss the progress which your child has made and how you can further support them at home.***

We look forward to meeting with you! Have a great weekend!
Best wishes from the Grange Team.

Football Team

Jaffa and Andrew held Year 5 and 6 football practise on Monday in the MUGA. Despite the dark and cold, the children were enjoying a good work out. Keep it up team Grange!

Star

In Reception we are always looking for ways to extend children's knowledge and understanding of Mathematics. This week some of the children in Star Class have been sharing what they know about numbers. Aliyah can count in 2s!

Venus

This week in Venus Class have been looking at the changes that occur during Spring. It has been fun to see how different animals change during this time. We have learnt a bunch of new things such as how there is now more light during Spring time. We look forward to learning more new things.

Mars

This week Mars class have been learning our new class story 'Owl babies' as part of our English work. The children have been retelling the story through acting and movement and also retelling the story in their groups and pretending to be different characters or objects. Well done Mars Class.

Jupiter

In English and Topic we have been looking at the different gods and goddesses in Ancient Egypt. They have spent the week learning about each god or goddess and made a headpiece with their chosen god that they will become the expert on next week. In Maths we have continued our unit of measuring, the children have been practicing finding the perimeter of shapes and converting between units of measurement.

Upcoming Events

Monday

Chess Club Y3-4
Football Team Club Y5-6
Homework Club Y6

Tuesday

Art Club
Y1/2

Wednesday

Netball Club Y3/4
Athletics Club Y1/2

Thursday

Neptune

Neptune Class had an amazing time at the Royal Festival Hall where we took part in an exciting, interactive music workshop led by professional musicians. Experiencing a live performance from a violinist and creating our own music were the highlights of the trip. It was exciting being taught how to use our bodies and voices to create our own unique symphony.

Aurora

Aurora Class have been reading 'The Wedding Ghost' which is based on the Grimm's classic fairytale story of 'Sleeping Beauty' otherwise known as 'Briar Rose'. We role played the story and created freeze frames of the different scenes and settings.

ATTENDANCE & PUNCTUALITY

School Year 2018-19		%
Attendance	Whole School	93.1%
Key Stage 1 Winner	Mars	96.4%
Key Stage 2 Winner	Sky	99.7%
