Dear Grange families,

Parent/ Carer Consultations

Thank you very much for your attendance at our Parent/ Carer Consultations this week. It is always a great opportunity for us to work together to support your child's learning. If you missed having a meeting with the teacher, it isn't too late, and please feel free to make an appointment through the office for an alternative time to meet with your child's class teacher.

Supporting your child at home

A number of parents have requested assistance with strategies for supporting their child at home. We have listened to you and have planned a number of Coffee Mornings/ Afternoons. Please see details below of planned Workshops for Parents/ Carers:

Thursday, 30th January 2020: PHONICS WORKSHOP for Year 1 parents/ carers, Phase 3 Phonics, at 2:00pm

Thursday, 06th February 2020: MATHS WORKSHOP for all Year 1 parents/ carers at 2:00pm

Friday, 07th February 2020: PHONICS WORKSHOP for all Reception parents/ carers at 9:00am

Thursday, 13th February 2020: SALT WORKSHOP for all EYFS parents/ carers at 9:30am, led by Molly (SALT).

Contact Details

Have you moved? Changed your phone numbers? Changed Address?

If so please update your details at the school office. It is essential that we are able to contact you if there is an emergency.

Best wishes from the Grange Team.

Sun

This week children in Sun Class were learning about People Who Help Us - Fire Fighters and Policemen. Children were learning about what fire fighters and policemen do and how they help the public. They were making fire engines and police cars using various materials and they enjoyed learning letters and numbers through making number plates.

Moon

In Reception, many of the activities that we plan have been inspired by the children's interests. Some children in Moon Class have been expressing an interest in the role of the police. This week we have had some interesting discussions about the police and we provided lots of police-themed resources to allow children to develop their role play.

Mercury

Year one have been focusing on fairy tales for English and we have been learning about Rumpelstiltskin. We will be using our drama skills to do a performance on Wednesday 29th January at 9.10 am. All year one parents are welcome to watch the assembly.

Planet Earth

This week Planet Earth Class have been learning all about fractions, written their own version of the Owl babies story and sorted physical and human features of a city in groups.

Saturn

In Maths this week we have begun to explore the topic of multiplication and division. Working in our Learning Partners, we used concrete objects to show the relationship between the part and whole. In English, in we looked at the difference between fact and fiction and how to write an excellent glossary.

Pluto

Pluto Class have been busy learning about fractions and decimal numbers this week. They have really challenged themselves and shown immense resilience when coming across challenging questions in Maths related to fractions and decimals.

Sky

This week, in Sky class, we have been practising our balls skills in P.E. We have been playing a range of team games involving balls, learning how to cooperate with one another and the importance of team work. Team work makes the dream work.
