Some Secondary schools specialise in arts, maths, languages, science or digital technology, and so it is important to get a good understanding of what is on offer when making your preferences.

Before you decide which schools to apply for and your order of preference, we strongly advise that you read the guidance in the brochure, which was emailed to you.

- Start finding out about schools now.
- Look at school brochures/ websites
- Visit as many schools as possible
- Look at the most recent Ofsted reports
- Talk to parents/ carers whose children attend those schools.

All applications for secondary school places must be made using the online application at [www.southwark.gov.uk/schooladmissions](http://www.southwark.gov.uk/schooladmissions).
