

Grange Primary School Weekly Bulletin Friday 12th February 2021

Quote for the week:

'It always seems impossible until it's done!' - Nelson Mandela

Dear Grange families,

We just wanted to say a huge thank you to you all for your ongoing resilience, hard work and teamwork during these unprecedented times - especially with the challenges of remote learning at home, which certainly is not easy. We recognise and appreciate that you are either on the front lines as a critical / key worker or you are at home juggling the demands of working and supporting remote learning. Supporting children with remote learning is challenging, and we are sure there have been many occasions when you have thought '*I just can't do this,*' but you can and you have! Well done to all of our amazing parents and carers.

Well Done to all the children who have been great examples of our school values and have shown true commitment to their learning, either in school or at home. We are extremely PROUD of all of you!

As always, thank you for the supportive emails and messages that have lifted the spirits of all the staff at Grange Primary School. This is truly a team effort and although it is a challenge, it continues to bring us together as a community and strengthen our home-school partnership. Keep going. We are getting through this together!

Your Feedback Means a Lot

Thank you to all the parents and carers who took time to complete our Remote Learning Survey. As I am sure you can appreciate, everyone is working under different circumstances and your feedback allows us to review our provision and ensure that we can meet as many of your needs as possible.

Return to school

The government has advised that a review of the roadmap out of lockdown will be published the week commencing Monday, 22nd February 2021 and that the reopening of schools is a national priority. We will update you as soon as we receive further information.

During the February Half term, if any of our children test positive for COVID on the 13th or 14th February, please advise us at info@grange.southwark.sch.uk. We have responsibility to track and trace on these two days. From the 15th Feb until 21st February 2021, please call 111 or NHS Track and Trace.

Parent/ Teacher Consultations– MS Teams

Wednesday, 24th February 2021 for EYFS and KS1 and Thursday, 25th February 2021 for KS2.

During the halfterm, we hope that you will be able to have a good rest to recharge your batteries ready for the ongoing challenges ahead, do something that makes you smile and have some quality time (all be it possibly remotely) with your family and friends.

Happy Chinese New Year to all our Chinese families!

Stay safe and take care!

Parent/Teacher Consultations

Friday, 12th February 2021

Dear Grange families,

Parent/ Teacher Consultations- MS Teams

We will be offering a timed 10-minute session for each child virtually. These will be taking place on:

Wednesday, 24th February 2021 for EYFS and KS1 and

Thursday, 25th February 2021 for KS2.

- You will receive a Microsoft Form to complete and select your availability for your Parent Meeting.
- On Monday, 22nd February 2021, you will receive a ParentMail or text message with your given time.
- On your Parent Meeting day you will need to log onto your child's MSTEams account and click on the class group. You will find a meeting that you can join. (**Press the purple Join button**). You may have wait to be added to the meeting. This will be because the teacher may still be in the previous meeting.

During the meeting we want to hear from you and you will also receive feedback from the class teacher on your child's learning and you will be able to ask any questions.

You are however welcome to use this 10 minutes in whatever way you feel is best for you. If you just want to chat as you have lots of questions, this is fine with us.

Staff are very keen for you to know that you will automatically be removed from the call after 9 minutes 55 seconds so it is important that you understand this as we do not want to offend anybody or leave anybody talking to themselves! Staff will do their best to manage this and remind you when time is running out but we would appreciate your help in managing this.

We look forward to meeting with you and celebrate all our children's achievements!

Yours faithfully,

L.Black
