

# Grange Primary School Weekly Bulletin Friday 26<sup>th</sup> March 2021

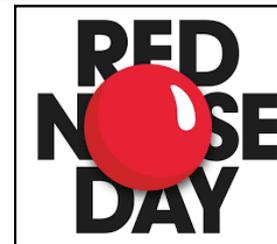

## Quote for the week:

*'Together, we can create a kinder, more inclusive world!' - ASC*

Dear Grange families,

**Thank you** for your generous donations and helping to make a difference. We raised **£300** for Red Nose Day! THANK YOU Everyone!!!

## World Autism Awareness Week

### What is Autism?

Autism is a condition which means a person's brain works differently to other people's and affects the way they experience the world around them.

The term Autism does not refer to one specific condition but instead refers to a wider group of conditions (Autism spectrum). *At least one in 100 children in the UK has an autism spectrum condition (ASC).*

We will be celebrating 'World Autism Awareness Week' by raising awareness and understanding of Autism to help our children to better understand and support their classmates who have an Autism Spectrum Condition (ASC).

Join George and Holly who will be participating in '**Super 7 Challenge Autism Awareness Week**'. See link below:
