

Grange Primary School Weekly Bulletin Friday 30th April 2021

Quote for the week:
"It is confidence in our bodies, minds and spirits that allows us to keep looking for new adventures." – Oprah

Dear Grange families,

As part of our continued commitment to giving our children the very best school experiences, we have been working with them and Trees for Cities to improve play opportunities. The newly installed exciting new equipment will promote independent play, adventure and fundamental skill development.

We can't wait for the new playground to be fully ready to use. Both staff and pupils have been working on our Edible Playground building Project with Trees for Cities. Thank you to the Trees for Cities Team for transforming this previously overgrown space into the incredible edible garden will all get to love and use everyday!

Our children have thoroughly enjoyed planting and learning the names of the different plants and where they would be best suited to grow. Staff also had a briefing session in the playground to talk about the playground project and they are very excited to provide fun and engaging sessions to our children in the summer term.

Have a restful, relaxing and safe Bank Holiday weekend!
 The Grange Team

ATTENDANCE & PUNCTUALITY

School Year 20-21	Class Winner	%
Attendance	Whole School	93%
KS1 Winner	Venus	96%
KS2 Winner	Supernova	97%
Punctuality	Whole School	97%
KS1 winner	Venus	99%
KS2 winner	Supernova	100%

First name	Class	New Age

RECEPTION

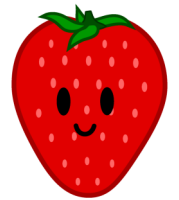

Moon & Star Class

In Reception we have been learning how to write a 'Recount'. We read 'Goldilocks and the Three Bears'. We then thought about how 'Baby Bear' was feeling. Children used picture/word cards to form sentences, written from Baby Bear's perspective. They had a go at writing their sentences too. Pretending to be Baby Bear himself was lots of fun!

YEAR 4

Supernova & Galaxy Class

This week in Year 4 we have been busy learning all about Decimals! We started by comparing and ordering decimals and then moved on to adding and subtracting. We have also started to be able to identify hundredths and equivalent fractions. In RE we have continued our learning on Sikhism, focusing on the importance of belief across all religions and understanding the role of Guru Nanak. We have also been very excited to see our playground continue to transform into a greener, healthier space with the addition of lots of new plants and trees! Some of us have taken part in planting and we are all looking forward to seeing the plants grow.
