

# Grange Primary School Weekly Bulletin Friday 14<sup>th</sup> May 2021

**Quote for the week:**  
**"Never point a finger where you never lent a hand." – Robert Brault**

Dear Grange families,

### Grange Primary School are proud to announce that we now have an Edible Playground!

We have started the Edible Playground project and are all very excited about the transformation that has started to take place on our playground. Raised planting beds have appeared throughout the playground in which every year group would be planting, growing, harvesting & eating fruit and vegetables throughout the year.

We also have an outdoor classroom with benches and an outdoor whiteboard - all surrounded by trees. The team from Trees for Cities (who helped fund this project) set to work creating the planting spaces and delivered a virtual assembly explaining the project to the children.

Planting will begin this term with more support from Trees for Cities so teachers know which crops to grow and when. So as this project develops it promises to further enrich the curriculum, linking growing foods to history, art, science, mathematics and geography. It will teach the children about where foods come from and the importance and joy of healthy eating.

**Eid Mubarak to all our families!** Have a restful weekend!  
*The Grange Team*

## ATTENDANCE & PUNCTUALITY

School Year 20-21	Class Winner	%
<b>Attendance</b>	<b>Whole School</b>	92%
KS1 Winner	Venus	97%
KS2 Winner	Saturn	98%
<b>Punctuality</b>	<b>Whole School</b>	97%
KS1 winner	Venus	98%
KS2 winner	Supernova	99%

## Happy Birthday

First name	Class	New Age
Hana	Sun	4
Bobby	Jupiter	8
Nathan	Venus	6
Quinten	Jupiter	8
Nayah	Pluto	10
Kiera	Planet Earth	7
Asiah	Jupiter	8
Yasmin	Supernova	9
Elliott	Mercury	6
Mohammed	Sun	4

# YEAR 2

## Mars & Planet Earth Class

Year 2 have been learning all about nocturnal animals in English. They have created information posters, fact files and non-chronological reports. In Maths we have been focusing on addition and subtraction skills. As part of Science week the children have learnt about the effects of air pollution and planted different seeds in the raised beds. In Topic they have been focusing on Brazil and created pictures by a Brazilian Artist. In RE the children have learnt about the Ten Commandments.

# YEAR 6

## Aurora & Sky Class

Year 6 have been studying the text "The Wedding Ghost" by Leon Garfield and Charles Keeping. In this lesson, we re-enacted a scene where Jack travels on the train to London and annoys the other passengers by singing loudly. The children played the roles of the other passengers, and noted down their thoughts and feelings about Jack and ideas for dialogue which would feed into our character description of Jack.
