

# Grange Primary School Weekly Bulletin Friday 21<sup>st</sup> May 2021

**Quote for the week:**  
*"Truly wonderful, the mind of a child is." ~ Yoda*

Dear Grange families,  
 For a child to reach their full educational achievement a high level of school attendance is essential.

Every child has a right to access the education to which he/she is entitled. Parents and teachers share the responsibility for supporting and promoting excellent school attendance and punctuality for all.

It is our duty to consistently strive to achieve a goal of 100% attendance for all children. Every opportunity will be used to convey to pupils and their parents or carers the importance of regular and punctual attendance.

For our children to take full advantage of the educational opportunities offered it is vital they are **at school, on time, every day** the school is open unless the reason for the absence is unavoidable. The routines children develop around attendance and punctuality at school are the same as the expectations of any future employer in the world of work. High attainment, confidence with peers and staff and future aspirations depend on good attendance. **Good attendance is important for every single child!**

Parents and pupils play an important part in making our school successful.

**REMINDER: The Parent Governor Vacancy at Grange Primary School - closing date Monday, 24<sup>th</sup> May 2021. All Nomination Forms need to be completed and handed in.**

Have a restful weekend!  
*The Grange Team*

## ATTENDANCE MATTERS

6 days or less absence per year  
97% or above

**VERY GOOD  
THIS IS YOUR  
TARGET**

Between 7 and 19 days absence per year  
90% - 96%

**BELOW  
EXPECTATIONS**

More than 19 days absence per year  
Under 90%

**POOR  
ATTENDANCE**

# NURSERY

## Sun Class

Sun Class carried on with the minibeasts theme. We listened to the story: 'What the Ladybird Heard.' by Julia Donaldson. This story helped children learn about farm animals and rhymes. We also attempted to draw our own maps of the farm, as well as farm animals and they were learning about giving directions. In Phonics we continue learning Phase 1 and Phase 2 sounds (this week they are: v, w, x, y and z). Children also had a lot of writing and counting opportunities. They also had a chance to practise their computer skills by writing and drawing on our interactive white board. We are looking forward to planting lettuce and sugar snap peas in our garden next week!

# YEAR 3

## Jupiter & Saturn Class

Year 3 have had a very exciting Science week! They learnt all about air pollution as well as finding out more about our exciting new playground designed by Trees for Cities which has a lot more greenery in it! The children are now looking forward to doing some planting in the coming weeks and hopefully harvesting it before we break up for the summer holidays.

# Certificate Champions!

Here are some of last week's certificate Champions!  
Well done to all.
