

# Grange Primary School Weekly Bulletin Friday 11<sup>th</sup> June 2021

**Quote for the week:**  
**'Everything you can imagine is real.' - Pablo Picasso**

Dear Grange families,

Welcome back to summer term 2. We hope that you have had a restful, safe and enjoyable May Halfterm! We are looking forward to all the exciting activities that we are trying to plan, in a COVID-safe way. Thank you parents and carers for continuing to respect the social distancing measures put in place and for continuing to wear face coverings whilst within the school grounds, it is very much appreciated.

**Reminders:**

Thank you to the children and parents who have ensured that their children's earrings adhere to our school policy. It has been noticed that some children still need to do this.

**A reminder also about our policy in relation to hair:**

Long hair (below shoulder length) should be tied back. Hair accessories should be minimal, plain and in school colours. Hair should be kept out of children's eyes using headbands, clips and slides; again plain using school colours. We would like to thank you for your ongoing support and co-operation!

**Water bottles**

We encourage parents to provide their child with a water bottle that is clearly labelled with their child's name. If you are unable to provide a water bottle, please let the school know and one will be made available at school. **Water bottles brought into school should be taken home and cleaned on a daily basis!** Pupils are only allowed to bring **water** to school!

Wishing you all a restful weekend!  
*Grange Team*

# YEAR 1

## Venus & Mercury Class

This week Year 1 have done a lot of learning.

In English, we have been learning our new class book, 'Where The Wild Things Are'. The children did some immersion lessons which included story telling, role play, acting, orally retelling the story and learning about the different characters in the story. On Monday the children did some role play and the adults joined in and pretended to be the characters. It was a lot of fun. Also, this week Year 1 have taken part in PSHE lessons and have learnt about the importance of friendships.

# YEAR 5

## Pluto & Neptune Class

This week in Year 5 we started our new English unit on Greek Myths and Legends.

We read the story of Theseus and Minotaur, explored the eerie labyrinth, and acted out the myth as a radio drama with excellent sound effects. Year 5 are lucky to have so many great actors and actresses to really help us immerse ourselves in the story! Our English learning has also tied in nicely with our new Topic learning about Ancient Greece.
