

Grange Primary School Weekly Bulletin Friday 18th June 2021

Quote for the week:
Choosing to be positive and having a grateful attitude is going to determine how you are going to live your life! - Joel Osteen

Dear Grange families,

Year 6—Safer Schools

Year 6 had a visit from our Safer Schools police officer, PC Dan Short on Thursday. He came in to give a talk on Gang Violence. Aurora Class found the talk very interesting and had many questions about the topic. They learned about the structure of gangs and how they groom and recruit vulnerable young people. They also learned about the dangers and personal risks young people take when joining or being part of a gang. They watched a very powerful film about a former gang member who describes his gang lifestyle and how hard it was for him to leave that lifestyle behind. PC Short left the class with 3 pieces of advice:

- Stay busy doing after school activities;
- don't hang about on the streets
- keep talking to trusted adults about any issues you're having.

Happy Father's Day

We would like to wish all of our fathers and all our father-figures to our children a very **Happy Father's Day** for Sunday. We hope you have a terrific day with your Families!

Have a restful weekend!
The Grange Team

YEAR 2

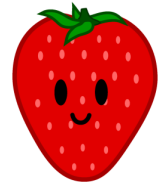

Planet Earth & Mars Class

Year 2 have been learning about the story the 'Pea and the Princess'. They have performed drama activities and written in role as a character. We have learnt about what is a healthy diet in Science, the Jewish Holy book called the Torah in RE and practised writing the Hebrew alphabet and the structure of a castle in Topic. In Maths Planet Earth are learning about 2D and 3D shapes and Mars class have been learning about fractions.

YEAR 6

Sky & Aurora Class

Year 6 have had Half Moon Theatre company and run a workshop on online safety for our Year 6 pupils. The children were encouraged to think about trust, real life scenarios, and 'fact' versus 'opinion'. They explored strategies for staying safe online and age-appropriate themes around interpretation of text messages, emojis and non-verbal communication.
