### (EYFS/KS1)

Dear Parents and Carers,

During the summer term all children in Early Years and KS1 are going to be receiving lessons about developing friendships, how to keep their body clean and differences between boys and girls. These lessons are part of our PHSE curriculum at Grange and also provide links to core Science lessons which are part of the National Curriculum.

These lessons have been designed by specialist teachers in Southwark, they are all age appropriate and aim to teach children key facts. At the bottom of this letter there is an overview outlining what will be taught in which year group.

Children in the Early Years and Year 1 will have discussions about how to keep themselves clean and the importance of washing regularly, as well as talking about what makes a family and how families can be different to their own.

In Year 2 the focus will be on how boys and girls are different to one another. There will be clear links to Science in this unit where children will be labelling key body parts using scientific vocabulary.

Some of these lessons will be taught by the class teacher and other will be taught by the school nurse. If you have any further questions about any of this, please speak to your child's class teacher or come and talk to myself.

#### Reception Family and Friendship

Lesson 1: **Caring Friendships**  
Lesson 2: **Being Kind**  
Lesson 3: **Families**

#### Year 1 Growing and Caring For Ourselves

Lesson 1: **Different Friends**  
Lesson 2: **Growing & Changing**  
Lesson 3: **Families & Care**

#### Year 2 Differences

Lesson 1: **Differences**  
Lesson 2: **Male & Female Animals**  
Lesson 3: **Naming Body Parts**

Kind Regards,  
Mr Lorrain Black  
**Interim Headteacher**
