

# Grange Primary School Weekly Bulletin Friday 9th July 2021

## Quote for the week:

*'When there is EFFORT, ATTITUDE and DESIRE, ... nothing is impossible'*

Dear Grange families,

**Year 6 Enterprise Week** has been full of surprises. Just having the chance to be in charge of real money, and have the experience to know what it is like to be a business man or woman has been a unique opportunity that many others might not be able to have. From start to finish, our anticipation of excitement has been fulfilled beyond expectation.

Enterprise Week has really shown us what businesses are like. We have been able to overcome set-backs and manage money effectively. From designing our very own product to producing it to "Dragons' Den" standards, this fun-packed week has been a moment most of us will remember for many years to come. Advertisement and the art of selling have taken a huge part in this week, and hopefully our politeness and excellent communication skills enticed customers into our individual shops.

The afternoons were filled with a hubbub of excitement. There were sweets, crisps, homemade cookies and cakes on sale. All of this topped off with a glass of refreshing cold drink.

The aim of this week was to raise money for a very good cause; our profits will go towards fundraising for Year 6 end of year function. A great week! **THANK YOU all for your SUPPORT!**

Have a restful weekend!

# YEAR 1

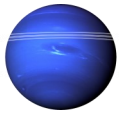

## Mercury & Venus Class

### **OUR DAY TRIP TO BURGESS PARK**

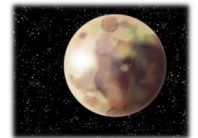

The Year 1's went on a fantastic trip to Burgess Park. The children were so excited they couldn't contain their excitement. We set off from school at 9.30am and walked to Burgess Park.

We visited the large play space area. We settled down under a large oak tree to eat our lunch. After lunch, we played lots of fun games. Children were also free to explore the lovely greenery around the lunch area. We returned to school at 1.30 pm.

***What a perfect day!***

# YEAR 5

## Neptune & Pluto Class

This week (after a few weeks of studying Ancient Greek Myths and Legends), Year 5 have been planning and writing their very own myth.

They have explored a mythical island and written a descriptive setting, and will also be creating their own mythical beasts.

In Topic, they learned all about Greek gods and goddesses, which will link into their story writing as well. Year 5 were particularly amazed by the goddess Athena who they found out was born from Zeus' forehead!
