Contingency Plan for Remote Learning

Partial closure - a year group bubble needs to close due to a Covid case (less than two weeks)

- Children will be required to register daily on Microsoft Teams, SLT will follow up children not doing so.
- Teachers will immediately provide remote learning for maths, English and the wider curriculum using *Microsoft teams*. Children will be provided with feedback on their work and will be able to communicate with their class teacher. Teachers will teach a live maths lesson daily. Teachers will create learning videos with voiceovers for English and provide lesson overviews and activities for the wider curriculum, all lessons will build knowledge and skills.
- Two weekly live meeting will take place to check on the children's wellbeing.
- If a teacher is unwell and unable to produce remote lessons, lessons will be provided for that class by other staff members within the school.
- All children have been provided with up-to-date access details to other school remote learning programmes e.g. Athletics and Reading eggs
- The school website will have an up-to-date school closure section with information and resources to support remote learning.
- Parents/carers will be directed to email the school office for further support/guidance.

Full closure – the whole school needs to close due to multiple cases or full lockdown (two weeks)

- Children will be required to register daily on Microsoft Teams, SLT will follow up children not doing so.
- Teachers will immediately provide remote learning for maths, English and the wider
