Autumn Term 2

Core Value Of The Week: Resilience

WORD OF THE WEEK - GENIUS

Definition:- exceptional intellectual or creative power, or other natural ability.

Dear Parents, Carers,

What a Wintery week we have had, the weather is certainly colder! Please make sure your children are coming into school in warm clothes, and all scarves, hats and gloves are named. We have had lots of absences this week with colds and coughs, as well as a few confirmed cases of COVID-19. As you have heard in the press the cases of COVID-19 are rising again.

We are continuing to regularly wash and sanitise our hands with the children, remain in phase bubbles where possible and have a staggered start and end time to the school day. Adults will continue to regularly clean throughout the day and wear masks in communal areas, and when meeting you all. We will be limiting winter performances to one ticket per family, and reminding you all to keep a social distance. So that we can continue to see you all on a face-to-face basis, we would like to encourage you all to wear a face covering, unless exempt, when collecting your children at the end of the day and to socially distance. Please try hard to follow the COVID-19 safety rules so that we can keep your children safe here at school, and so you are all able to have a lovely winter holiday.

This week we were visited by our School Improvement Partner from the Local Authority. Together we completed a Learning Walk, and looked at English and Maths books from across the school. We were particularly impressed with the behaviour for learning, beautiful class displays and learning areas.

Well done to our boys football team who have come 2nd in their league, and have now been invited to play another league at Crystal Palace Football Stadium. The match will take place next term.

Our children have continued to have their wellbeing yoga sessions this week, which they have thoroughly enjoyed. If your child's class has not yet received their session, do not worry as these are continuing for the next few weeks!

Thank you to everyone that contributed to Children in Need and Odd Socks Day. We raised a total of **£247.19**, which we have sent to the charities on your behalf.

Word of the Week

Thank you to those families that discussed our word of the week last week, many children received Dojo points for using the word Forage in their writing or conversations last week.

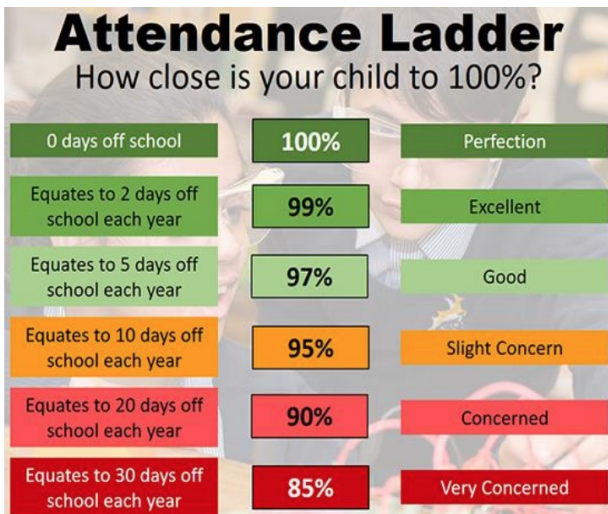

Our word of the week this week is Genius. Please discuss this word with your children and perhaps browse at a book together!

Reception Open Day Tours

We have one parent tour remaining, don't forget to book! **Friday, 3rd December 9:15am**
<https://grange.southwark.sch.uk/>

Attendance

Attendance is improving but as a school we are still regularly below national average. Please continue to check the ladder to see where you fit! Our whole school attendance needs to be above **95.7%** every week!

Have a great weekend, stay safe.

Rebecca

Year 1 Venus & Mercury

Field Trip

This week, the Year 1s went on a field trip around our local area. They used their looking and listening skills to observe and record what they saw.

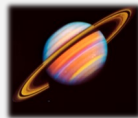

Year 3 Jupiter

Jupiter class went for a short walk around the local area this week to look at the land use near to school.

We noticed the names of the roads and the 2 buildings. When we came back to class, we created a sketch map of the local area.

Year 3 Saturn

Year 3 have been practicing their Christmas songs this week. Both classes have chosen songs in a different language and they have done a fantastic job singing these songs.

Yoga At Grange

All of the children in school are participating in yoga sessions for the next three weeks on a Friday. They thought of actions with their bodies to accompany their names and learnt different yoga positions.
