10th June 2022

Dear Parents and carers,

Year 3 team

Saturn class

Aimee Doser (Class teacher)

Khaleda Ahmed

Jupiter Class:

Carole Reid (Class teacher)

Jan Codrai

Our Topic

Our Summer 2 topic is the Extreme Earth. We will look at the different layers of the earth, earthquakes, volcanoes, tsunamis and tornadoes what the causes of the various natural disasters and the effects of the natural disasters on the environment and people. In RE pupils will develop their understanding of Jewish festivals and special days through exploring a variety of Jewish objects and stories. In science we are consolidating learning from this year and in PSHE we are looking at how we change, particularly how was change when we are growing up.

Maths

In Maths this half term, we will be learning about fractions, properties of shapes and time.

Home support and expectations

Please encourage your child to read for **20 to 30 minutes every day** - read *with them* or *listen to them* for 10 minutes of this time, praise their efforts and help us to know how they are getting on by signing and commenting in their **Reading Record - daily**. Thank you very much to the parents who are taking some time to support children with reading and signing reading journals. Encouraging reading and enjoyment is the biggest educational support we can give to our children.

Homework and Reading

In Year 3 we will be continuing to use the online learning platforms Reading Eggs, Mathletics and Letterjoin. Logins have been sent home with your child so please keep these safe and encourage your child to access the platforms daily. We will also send home updated weekly spellings and timetables which will play a key part in our learning as well as homework linked to our Topic.

Year 3 PE lessons

PE will take place every Monday and Friday. Children should now come to school with a PE kit to change into for PE and back into uniform after their session.

Feel free to contact us via the school office or chat to us at the end of the day. You can set up a longer meeting in via either channel. You can use the Reading Journal as a way to send a message too!

Best wishes,

Year 3 team
