

English: Literacy Tree

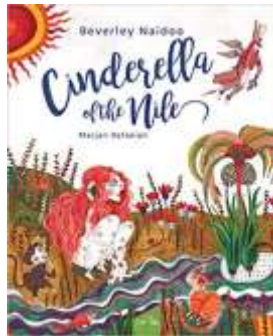

• Cinderella of the Nile by Beverley Naidoo
In which children explore the text, write a short news report, diary entry, character description, advert and finish by devise their own version of a Cinderella story complete with fable!

• The Tear Thief by Carol Ann Duffy

The children then write a shared poem, persuasive poster, discussion, explore using a range of different grammatical forms of sentence to create an information/ persuasive poster before writing a letter to another year group explaining why different tears are more precious than others.

**Year 3
Spring 1**

**Maths: White Rose
Multiplication and Division.**

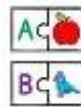

Children will learn their 10, 5, 2, 3, 4, 8 timetables. They will also be able to divide by 10, 5, 2, 3, 4, 8.

The children will use different representation to show multiplication and division such as arrays and bar models.

Reading: Literary Leaves

Children begin by identifying the genre before going on to make plausible predictions to support finding a theme through the stories the children will be introduced to the skill of summarising and will look at words in context to identify meanings in detail.

**Topic
Ancient Egypt**

The children will learn about when and what Ancient Egypt is. The children will explore the mummification process, hieroglyphics, Tutankhamun and the Ancient Egyptian gods.

**PSHE: Jigsaw
Dreams and Goals**

- Dreams and Ambitions
- A New challenge
- Helping others
- Having a positive attitude

**Science: Kent
Forces and magnets**

Children will:

- Compare how things move on different surfaces
- Notice that some forces need contact between two objects, but magnetic forces can act at a distance
- Observe how magnets attract or repel each other
- identify some magnetic materials
- Describe magnets as having two poles
- Predict whether two magnets will attract or repel each other, depending on which poles are facing.

R.E.

Pupils will explore what Sikh sayings tell us about Sikh beliefs. The children will also explore different symbols in Sikhism and how to are important to the religion.

Art

The children will create artwork using hieroglyphics. They will also have the opportunity to design their own Ancient Egyptian clothing.

**Computing Rising Stars
We are presenters**

- develop their web-based research skills
- structure, prepare and deliver a talk about a given topic or subtopic studied in another curriculum area
- record a piece to camera
- edit a movie using static images and green screen

**P.E. (PESSN)
Games**

Children will:

- To move safely in a confined space.
