Dear Parents/ Carers,

RE: Year 4 Multiplication Tables Check (MTC)

All our year 4 children took part in the national Multiplication Tables Check (MTC) this week. This check involved all year 4 children taking a five-minute, online quiz to assess their confidence in recalling and using these times tables.

Well done to all our children for responding really positively to the check and reported that they enjoyed using the iPads to participate.

The children are assessed by the DfE and results are not made available to schools until the end of June therefore we will include the results in the end of year report.

The outcome of the check should inform both us as a school and you as parents/ carers; as to where each child is in terms of times tables. We can then celebrate their successes and work together to identify and address any gaps.

Thanking you all for your support and co-operation.

Yours sincerely,

Rebecca Benjamins
Headteacher
