

# Autumn 2 Homework

Dear Children and Adults,

Welcome back! We have had a brilliant start to the half term and the children have settled back into their routine. We hope the children have slept well, eaten healthily and enjoy their time at home. Below we have suggested activities that link to the work we will be doing in school. There are some ideas for children to develop their understanding of our different Topics. The tasks can be completed by the children on their own or with an adult. Thank you in advance for all your support.

From Miss Abrahams, Miss Burnett, Kerry, Emma and Dylan.

## DATES

**Date set:**

WB: 4th November 2022

**Date Due:**

WB: 16th December 2022

## MATHS and READING

Weekly tasks are set on Mathletics and Reading Eggs, please make sure you log in to complete tasks set. . If you are experiencing any technical difficulties on Mathletics and Reading Eggs please do let us know. We have sent login's home in their reading record or scrap book.

**Maths:** Topics we will be working on in Maths include Addition and Subtraction And Multiplication and Division.

**Reading:** Please also remember to read for at least 10 minutes each day and get an adult to sign your reading book. We will change their books when we feel like they are secure in these sounds.

You have this scrap book to use to complete your homework project. Over the next six weeks complete some of these activities or make some up of your own.

### Reading and Writing

Our topic this half term is the Great Fire London. Can you do some research and find out all about the Great Fire of London and create a fact file.

Throughout our topic we will be looking at a range of texts that include London landmarks, stations and transport. Have a go at listing some of the well known ones in preparation for our learning.

### Topic/Science/Art

In Topic we are learning about The Great Fire of London. In Science we are focusing on Materials and their different uses. Have a go at creating a Tudor house out of a shoe box and use a range of different materials. Bring them into school and they will be used for an experiment.

## SPELLINGS

Please continue to practice the spellings for KS1. We also need to practice key vocabulary for science and topic. Have a go at using your sounds to spell unknown words.

### Days out and Trips:

Why not take a walk around London and look at some of the areas that were impacted by the Great Fire of London.

Take some photos and write a diary entry telling us all about your walk around London.
