**Year 3**

**DATE SET:**  
Friday 24<sup>th</sup> February 2023

**DATE DUE:**  
Monday 27<sup>th</sup> March 2022

Dear Children and adults,

Welcome back!! As the term progresses, it is really important that the children sleep well, eat healthily and enjoy resting in their home time. However, Maths, reading and spelling are important ongoing tasks to practise at home in addition to their work in school. Below are some ideas for children to further develop their understanding of our topic, which this term is 'Mountains'. The tasks can be completed by the children on their own or with an adult.  
Thank you.

Weekly tasks are set on Mathletics. Please make sure you log in to complete tasks set. Certificates will be given during Fridays celebration assembly.

Remember to revise your number bonds and multiplication tables as well!

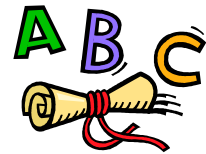

## READING

Remember to read for at least 10 minutes each day and get an adult to sign your reading book.

## SPELLING

Don't forget to learn your spellings each week!

## WRITING AND TOPIC

You have a scrap book to use to complete your homework project. Over the next six weeks complete some of these activities or make some up of your own.

### TRY TO COMPLETE AT LEAST ONE OF THE WRITING TASKS

1. Write a fact file about a famous mountain range. Include subheading to show different aspects.
2. Write an acrostic poem about a mountain. (You could use Purple Mash to create a template.)
3. Create a brochure to advertise a ski resort including sections on each of the features.

### NOW CHOOSE SOME OR ALL OF THESE

1. Using any media (paint, pastels, etc.) draw a realistic mountain scene
2. Imagine you are going to climb a mountain. Draw and label the equipment and clothing you would need to take with you.
