In this Puzzle the class look at the friendship groups that they are part of, how they are formed, how they have leaders and followers and how they fit into them. The children are asked to reflect on their friendships, how different people make them feel and which friends they value the most. The class also look at smoking and its effects on health, they do the same with alcohol and then look at the reasons why people might drink or smoke. Finally, they talk about peer pressure and how to deal with it.
