

Year 2 Spring 1 Homework

Dear Children and adults,

Welcome back and Happy New Year! The children are settling well and are making a great start to their learning. It is really important that the children sleep well, eat healthily and enjoy resting in their home. However, maths, reading and spelling are important ongoing tasks to practise at home in addition to their work in school. Below are details and some ideas for children to further develop their understanding of our topic, which this term is Pirates. The tasks can be completed by the children on their own or with an adult. Thank you in advance.

From Miss George, Miss Barnett and the Year 2 team.

DATES

Date set:

WB: 15th January 2024

Date Due:

WB: 9th February 2024

MATHS

Weekly tasks are set on Mathletics. Please make sure you log in to complete the tasks set. Certificates will be given during Friday's celebration assembly. Our focus this half term is money. We will also be completing our multiplication and division topic this half term too.

READING

Reading Eggs is a platform similar to Mathletics. It supports children with reading and phonics.

Please also remember to read for at least 10 minutes each day and get an adult to sign your reading record. Children will bring home the book they have been reading in class, so they should be familiar with this text and be able to read and discuss this with ease. They will also have a shared reading book to read with you for pleasure. Children will receive a sticker for every 5 reads they complete at home with rewards including book marks, certificates and morning tea for when they reach particular achievement levels.

WRITING AND TOPIC

You have this scrap book to use to complete your homework project. Over the next five weeks complete some of these activities or make some up of your own.

WRITING TASKS

Write your own Pirate quiz! Research pirates to find some great questions for your quiz then bring it into school for us to complete!

Choose one item that a pirate used or wore to write about. Include the name, what it was used for, what it was made from and any other interesting fact you would like to include.

CHALLENGE!

Look at flags from around the world and then look at flags found on ships, especially pirate ships. Design a flag for a pirate ship and explain your choice of emblems.

PLACES YOU COULD VISIT

Why don't you take a trip to the Golden Hinde II or the Natural History Museum!

SPELLINGS

New spellings will go out every Friday for children to practice. Please encourage your children to practice reading and writing each word. Encourage children to write each word in a sentence, to help your child learn the meaning and context of the word.

PHONICS

We are constantly revisiting all the sounds to help us with our reading and spelling. You can use this YouTube link with lessons on how we teach phonics at Grange and have additional practise.
