

"Stone Age" Homework

Year 3

DATE SET
Friday 19th April 2024

DATE DUE
Monday 27th May 2024

Dear Children and adults,

Welcome back! As the term progresses, it is really important that the children sleep well, eat healthily and enjoy resting in their home time. However, Maths, reading and spelling are important ongoing tasks to practise at home in addition to their work in school. Below are some ideas for children to further develop their understanding of our topic, which this term is 'Vikings'. The tasks can be completed by the children on their own or with an adult.
Thank you.

MATHS

Weekly tasks are set on Mathletics. Please make sure you log in to complete tasks set. Certificates will be given during Fridays celebration assembly.

Remember to revise your number bonds and multiplication tables as well! Continue to use TTRS and maths frame to help consolidate your multiplication knowledge.

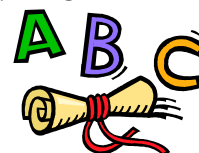

READING

Remember to read for at least 10 minutes each day and get an adult to sign your reading book.

SPELLING

Don't forget to learn your spellings each week!

WRITING AND TOPIC

You have a scrap book to use to complete your homework project. Over the next six weeks complete some of these activities or make some up of your own.

TRY TO COMPLETE AT LEAST ONE OF THE WRITING TASKS

1. Write a fact file about Stone Age lifestyle or travel.
2. Research the Stone Age and create a poster that contains at least 6 key facts about the stone age era. Think about any pictures that could be included.
3. Write a diary entry as a Stone Age child and discuss how life is like living in the stone age. How would a diary entry be written long ago?

NOW CHOOSE SOME OR ALL OF THESE

Look at two stone age paintings. Compare the paintings. What can you see in the painting? What do you know about the painting? What do you want to know about the painting? What do you think the painting represents? How are the paintings similar? How are they different?

Topic Words

Do you know what these words mean and how to spell them?
