

Year 1 Autumn 1 Homework

Dear Children and adults,

Welcome to Year 1 and your first half termly homework! It is really important that the children sleep well, eat healthily and enjoy resting in their home. However, maths, reading and spelling are important ongoing tasks to practise at home, as well as at school. Below are some ideas for children to further develop their understanding of our topic, 'All About Me.' The tasks can be completed by the children on their own or with an adult. We look forward to the exciting term ahead. From Year One Team.

DATES

Date set:

WB: 9th September 2024

Date Due:

WB: 21st October 2024

MATHS

Weekly tasks are set on Mathletics. Please make sure you log in to complete the tasks set. Certificates will be given during Friday's celebration assembly. Our focus this half term is place value within 10 and recognising numbers, with aim of being able to write them in numerals and words.

READING

We follow Little Wandle Letters and Sounds Revised phonics program. Your child will be sent home with a decodable reader pitched at their phonics level and a 'sharing' story book of their choice. The reader is for your child to show you how amazing they are at their reading, and the story book is for you to read to them and enjoy together. Children may recognise some high frequency words in there, so encourage them to pick them out. Children should be reading for at least 10 minutes each day and an adult is expected to sign the reading record after your child has read. We will change books weekly. Your child should be confident in what they are reading and are able to answer questions about what they have just read.

Reading Eggs is a platform similar to Mathletics. It supports children with reading and phonics. We will set the children tasks on a weekly basis.

WRITING AND TOPIC

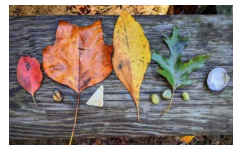

You have this scrap book to use to complete your homework project. Over the next six weeks complete some of these activities or **make some up of your own**.

WRITING TASKS

- * Write a letter to someone you care about. Tell them about your first few weeks in Year 1.
- * Draw a colour monster and write about your feelings. What things help to calm you down?

CHALLENGE!

Could you go on a nature walk and create a nature portrait of yourself? Stick this in your book or find another creative way so that we can put this in our cloakroom gallery.

PLACES YOU COULD VISIT

In topic, we are looking at our local area and the famous landmarks in London. How many landmarks can you visit this half term? Takes picture and stick it in your book.

Challenge: Could you label the photo or write a simple sentence about what you saw?

SCIENCE

In science, the children will be looking at seasons. Why don't you record daily the type of weather you see, or take pictures of different types of weather? Maybe draw something that symbolises each season.

Art and D.T

Can you create a 2D picture or a 3D model of a famous London landmark? Think about the materials you might use: paper mache, pens, card board, paper, paint...

PHONICS

We follow Little Wandle Letters and Sounds Revised phonics programme. In KS1, we will be working between phase 3 and 5. We are revisiting all the phonics sounds from Reception to help us with our reading and spelling. You can use this YouTube link with lessons on how we teach phonics at Grange. Have a go at practising your sounds. <https://www.youtube.com/playlist?list=PLuGr6z2H2KNHY2HTC9jV0a65ED0aD2R>
