A Message from our Headteacher

Dear Parents,

We have had a very Christmassy week at Grange. This week our Christmas tree was delivered and the children from the After School Club decorated it for the school. It is proudly displayed in the school hall for all of the children to enjoy. This morning we were visited by the cast from Umbrella Theatre. We had a great time watching their performance of Aladdin, please take some time to ask your child about this magical experience.

Football

Well done to our football teams who played in a borough competition last Friday. I am proud to say they won the entire tournament and came home with the trophy!

Care Home Visit

This week some KS2 children went to Tower Bridge Care Home to read to residents. It was a great opportunity for children to share their love of reading with some listeners who were glad to see a friendly face. We hope to regularly visit!

Christmas Jumper Day

Next week on Thursday 12th December we will be collecting money for Save the Children and taking part in their Christmas Jumper Day. Please help your child dress for the occasion, if you don't own a jumper please do not go and buy one, instead wear something wintery (a bobble hat, a warm jumper, or a Christmas headband)

Science book look

This week the SLT team and Mr Crewe took a look at how science teaching is happening across the school. We were pleased to see that all classes have been enjoying practical science activities each week. Mr Crewe spent some time speaking to the children who were really excited to talk to him about everything science! Next week we will be looking at Maths books.

I hope you have an enjoyable weekend, and we will see you all on Monday at 8.50am.

Makaton Word of the Week

Along with our word of the week, our children will now be learning some sign language. We have many pupils at Grange that are non-verbal and one of the ways in which we communicate with them is to use sign language. We want all our children to be able to communicate with each other so felt that teaching our children to sign would help this. Please help us to learn together by practising this with your child at home.

Parent/ Carer Information and Support

In an effort to encourage reading for pleasure each week one of our staff members will share their favourite children's book. This book will then be available for children to borrow to see if they enjoy reading it also. This week Miss Cormier has chosen one of her favourite books to share in assembly.

Favourite book Friday

My favourite book is Mabel Murple by Sheree Fitch. It's the story of a girl who lives in a purple world and it's full of fun and hilarious rhymes. I would recommend this book to children of all ages because they'll love the silly pictures and rhymes. This is a book that I remember reading with my parents when I was growing up, and it's now a book I love to share with my classes

SOUTHWARK SCHOOLS' INDOOR AIR QUALITY

Southwark Council is already undertaking several projects to tackle air pollution in schools, and you can get involved!

Asthma - Air Quality Monitoring & Engagement Project for students in Year 6 and above

This project will see air quality sensors placed in classrooms and the homes of pupils with asthma, offering a live insight into the air quality they experience.

Teachers and students will participate in a specially designed curriculum to deepen their understanding of air quality's effects on health and discover strategies to minimise harmful emissions.

This initiative builds on existing air quality efforts and provides tools such as a dedicated webpage and monitoring devices to assist schools in fostering a cleaner, healthier educational atmosphere.

School staff and parents can register interest by filling out the form on this QR code or by emailing.

Free Winter Light Displays in London

Winter Light at the **Southbank Centre**, SE1: Outdoor light works created by ten contemporary artists. Personally, I don't find they add up to a light trail, but it's a nice excuse to visit the Southbank. This year's highlights include Nathaniel Rackowe's *Desire Lines*, a new Thames-side tree illumination, and Marinella Senatore's *We Rise by Lifting Others*, inspired by southern Italian illuminated decorations. 7 November 2024-2 February 2025. *Drop in, best after dark.*

Ever After Garden in Mayfair: Whilst it's not Christmas themed, this shouldn't be missed – especially if you're missing loved ones this year. Over 10,000 white roses light up **Grosvenor Square** in this touching illuminated remembrance garden to raise money for Royal Marsden. 14 November-18 December 2024. *Drop in. You can dedicate a rose to remember someone sadly no longer with us from £10.*

Sparkle in the Park: The Royal Borough of Greenwich's annual festive light trail, is back for a fifth year. **Charlton Park, House and Gardens** will be transformed into an enchanted winter wonderland for Royal Greenwich residents to enjoy. With Christmas market, a fun fair and pop up performances from local school and community choirs. 28 November-1 December 2024, 16:30-21:00. *Drop in.*

IlluminoCity 2024: Two interactive light sculptures designed by Sydney-based artist studio, Amigo & Amigo. 'Play' jazz with 'Trumpet Flowers' at **Citypoint** and create a musical composition with spherical light posts in Glow at **Principal Place**. 14 October 2024-6 January 2025. *Drop in.*
