Dear Children and adults,

Happy New Year! As the term progresses, it is really important that the children sleep well, eat healthily and enjoy resting in their home time. However, maths, reading and spelling are important ongoing tasks to practise at home in addition to their work in school. Below are some ideas for children to further develop their understanding of our topic, which this term is 'Vikings'. The tasks can be completed by the children on their own or with an adult.
Thank you.

MATHS

Weekly tasks are set on Mathletics. Please make sure you log in to complete tasks set. Certificates will be given during Fridays celebration assembly.

Remember to revise your number bonds and multiplication tables as well!

READING

Remember to read for at least 10 minutes each day and get an adult to sign your reading journal.

SPELLING

Don't forget to learn your spellings each week!

WRITING AND TOPIC

You have a scrap book to use to complete your homework project. Over the next six weeks complete some of these activities or make some up of your own.

TRY TO COMPLETE AT LEAST ONE OF THE WRITING TASKS

1. Write a fact file about Viking lifestyle or travel.
2. Research the Vikings and create a poster that contains at least 6 key facts about the Anglo-Saxon to Viking period in Britain. Think about any pictures that could be included.
3. Write a diary entry for a Viking warrior or an Anglo-Saxon settler. How would a diary entry be written long ago?

NOW CHOOSE SOME OR ALL OF THESE

1. Create an interesting collage of a Viking scene; stormy sea, long boat, a raid!
2. Select a famous figure from the Anglo-Saxon or Viking era. Draw or paint or collage a picture of them. It could be a king, soldier, God or someone else.
