

Playing Safe

Dear Parent / Carer,

London Bubble Theatre Company are excited to be visiting Year 6 at your Primary School to show them our play, *Playing Safe*, which addresses grooming and serious youth violence, in preparation for Y6 transitional work.

Your child will see the play and take part in a group workshop exploring the characters, the situations they find themselves in and the choices they make.

All parents and carers are invited to see the play at your Primary School, after school on **Thursday 13 February**. You will also have the chance to meet professionals from Southwark Family Early Help and Youth Justice Services and other relevant support services.

“It was an affective play, and I am very pleased my child saw it and discussed its themes with the cast members.” – Parent

We very much hope you will join us for this special parents/carers session.

For more information about the *Playing Safe* project please visit www.londonbubble.org.uk

Sincerely,
Natalie Clarke
